Prizing Children's Literature Kenneth Kidd,Joseph Thomas Jr.,2016-11-10 Children s book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children s book awards scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children s book awards in historical and cultural context With attention to both

political and aesthetic concerns the book offers original and diverse scholarship on prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpr Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best Animated Feature Oscar the Phoenix Award and the John Newbery Medal giving due attention to prizes for fiction as well as for non fiction poetry and film This volume will interest scholars in literary and cultural studies social history book history sociology education library and information science and anyone concerned with children s literature

Chumley, 2022-05-03 A crucial warning for Americans about the left s never ending lust to steal individual liberties and the power of God to stop it Everett Piper Bestselling Author of Grow Up Lockdown is a terrifying story of not only the chaotic freefall of American freedoms during the opening stages of the COVID pandemic but the dangerous growth of government power that continues today Lockdown is a warning that the extraordinary powers invoked by left wing Democrats and others justified by claims of public health and safety have begun the unravelling of America s constitutional order and our most cherished freedoms Using COVID 19 as a cover Democrat leaders and their bureaucratic health advisers seized powers the Constitution never gave them and ordered citizens to stay off streets and out of public parks banned them from their

workplaces closed down their schools and made church attendance a crime even as these same leaders and their left leaning cronies blithely arrogantly and outrageously allowed mass protests kept open abortion clinics and did as they pleased Relying on her trademark aggressive reporting style Cheryl K Chumley explains how the radical left is using pandemic policies as a template for increasing controls over the lives of citizens as they build a one party socialist state in America A sequel to her bestselling book Socialists Don't Sleep in Lockdown Chumley exposes how hypocritical elitist and radical leftists are still using the coronavirus to score political points and steal individual rights as the original pandemic served as dress rehearsal in the march toward the new fascism Rush Revere and the Star-Spangled Banner Rush

When Comedy Goes Wrong Christopher J. Gilbert,2025-04 While conventional wisdom has it that humor embodies a spirit of renewal and humility a dispirited form of comedy thrives in a media saturated and politically charged environment When Comedy Goes Wrong examines how beginning in the late twentieth and carrying into the early twenty first century a certain comic dispirit found various platforms for disheartening cultural politics From the calculated follies on talk radio programs like the Rush Limbaugh Show through the anticomedy in the movie Joker the charades of cancel culture the carnivalesque antics of participants in the Capitol insurrection and ultimately to so called Alt Right comedy the transgressions and improprieties and ego trips endemic to a newfangled comic freedom produced entirely unfunny ways of being To understand these unfunny ways Christopher J Gilbert challenges the prevailing belief in humor s goodness analyzing radio personalities meme culture films civil unrest and even the language of ordinary individuals and everyday speech all to demonstrate what happens when humor becomes humorless As such Gilbert puts forth a nuanced sense of humor with regard to a tumultuous world When

Comedy Goes Wrong challenges assumptions about comedy's unequivocal benefits to democratic praxis. It goes beyond partisanship to explore the uglier parts of American culture, imagining the stakes of doing comedy and being comical as a means of survival.
