Russian Revolution Frank Jacob,2020-11-23 What impact did Bolshevik rule have on Emma Goldmans s perception of the Russian Revolutions of 1917 and why did she change her mind going from defending the Russian Revolution to becoming a crusader against Bolshevism The Russian Revolution changed the world and determined the history of the 20th century as the French Revolution had determined the history of the 19th century Left wing intellectuals around the world greeted the February Revolution with enthusiasm as their hope for a new world and social order and the end of capitalism seemed close However the joy did not last long as the ideals of February 1917 were replaced by the realities of October 1917 and Lenin crushed the revolution during the following Civil War Emma Goldman a famous Russian born American anarchist was one of the intellectuals whose admiration for the revolution turned into frustration about its corruption Emma Goldman and the Russian Revolution discusses her evolving perception of the revolution between 1917 and the early 1920s The analysis of such an intellectual transformation process provides a case study of intellectual and revolutionary history alike adding a closer reading to the research about the famous American anarchist Emma Goldman her transnational life and her role as a revolutionary intellectual **The Russian Revolution** Anthony Wood,2014-01-14 A popular concise guide one of the

the Russian Revolution Jonathan Daly and Leonid Trofimov have reinvigorated the study of a turning point in world history

Instead of rehashing the internal dynamics of the Bolshevik takeover the authors have carefully juxtaposed the international ambitions of the Bolsheviks with the Revolution's reception around the world Daly and Trofimov pair their lucid introductory essay with documents from Soviet officials intellectuals in South America W E B Du Bois in the United States and others so readers will quickly realize how revolutionary ideas cross oceans and transcend geopolitical boundaries This volume thus takes a topic once reserved for students of Russian history and places it in a world historical perspective those interested in global history European history and of course those fascinated by events in Petrograd and Moscow will find ample sources of inspiration in this text As the Russian Federation is now exerting its influence on a global scale the time is ripe to consider the Russian Revolution in such broad terms Nigel Raab Loyola Marymount University
