devastated Eve and left her wondering how she the kids and Granny Nettie were going to make it and be able to farm the land Eve had loved Abe since she first saw him in town at the general store when she was ten and married him when she turned sixteen Abe s family lived on the other side of Denmark but shopped at the general store like most people in the area After Abe s death John Henry began to stay at the Carter s when he came by to pick up his kids have dinner and would flirt with Eve At first she didn t acknowledge his flirting but after a long talk with Granny Nettie about John Henry s flirting and her need for a husband to provide for her and her three kids she gave in and married him in late 1924 It wasn t about love because she said she could never love another man after Abe it was just about the kids and both of their needs to support their kids Eve decided to moved to John Henry s house and Granny Nettie came with them to watch the kids during the day while he worked the fields and Eve continued to work at the Holcomb s house At first the arrangement worked great until the spring of 1925 when John Henry made the boys go to the fields with him to work Most days the kids went to the Denmark School for Colored Children Eve s sons Joshua called Josh and Daniel called Danny and John Henry s son Bankston called Banks would go to the fields some days but John Henry began to make them stay out of school and began to treat Eve s sons differently He would beat them with his strap sometimes two or three times a week if they didn t do what he told him to do in the
