**Sailing the Apocalypse** Scott Williams, 2015-01-15 How far would you go to protect your family if you were convinced America was in imminent danger of collapse Would you build an underground bunker and stockpile it with weapons and supplies Buy a cabin in the woods and start growing all your own food Sell everything off and move to a survivalist s stronghold in the mountains of Idaho None of the above would be enough if you were obsessed with boats the way Terry Bailey is obsessed Terry has an escape plan to sail to the very ends of the earth the only real option left to survive what s coming according to him Convincing his new wife teen stepdaughter and preteen stepson that time is running out he sells his recently acquired family on the necessity to build a boat Two years of hard labor later Terry has his ship a huge ocean going catamaran sloppily cobbled together from plywood and epoxy in their backyard in north Mississippi When the ship is ready to launch Terry christens her the Apocalypse and the four of them move aboard for good bidding farewell to life on land along with everything and everyone they had known before that day There is no need to wait for a disaster to strike because Terry Bailey has created his own Now he is about to drag his entire family over the horizon with him Sailing the Apocalypse is the story of a man who is about to go too far and is told from the perspective of the twelve year old stepson who watches it all unfold as he is swept along for the ride

**The Illustrated London News** ,1878 **For Those in Peril on the Sea** Colin M. Drysdale, 2013 Primarily set in the northern Bahamas this book weaves its story of post apocalyptic survival into the local sub tropical seascape and the sailing culture that can be found there With its evocative use of real locations haunted by zombie like infected and atmospheric depictions of the trials of life at sea drawn from the author s own experiences *For Those In Peril On The Sea* provides a new and unusual take on the traditional post apocalyptic genre From the back of the book After a six week voyage across the Atlantic they couldn t wait to get to shore When they got there they found the land would never be safe again There was nothing to suggest it would be anything more than a routine delivery Four people thrown together by chance sailing a newly built catamaran from South Africa to Miami But while they were away something happened something none of them could ever have imagined When they get back to civilisation they find it no longer exists The land is no longer safe Their only option is to stay on the boat and try to survive Join Bill Rob Jon and CJ as they travel around their frightening new world One where they must struggle against the infected that now rule the land the elements and each other
