

## COLLEGE APPLICATION ESSAY

### Admissions Committee Comments

Rachel describes how she mastered the values of hard work and persistence through experiences of loss and frustration at the hand of her mother's stellar gaming skills. In her essay, we learn about her character growth and determination. Applying these strategies to other areas of her life, Rachel demonstrates an ability to connect lessons, learn from others, and take on challenges—all important aspects of the college experience.

### Learning How to Play

The first board game I ever played was Disney Princess Monopoly against my mother. It was a shocking experience. My otherwise loving and compassionate mother played to win. Though she patiently explained her strategies throughout the game, she refused to show me any mercy, accumulating one monopoly after another, building house after house, hotel after hotel, and collecting all my money until I was bankrupt, despite my pleas and tears that I was her daughter and only five years old. I remember clearly the pain I felt from losing, but I remained eager to play and determined to one day beat her. Eventually, we left the princesses behind and graduated to the regular, then the deluxe, editions of Monopoly, and expanded to Rummikub. Every time we played, I carefully observed my mother's moves and habits while considering my own options. Over the years, she continued to beat me in both games, but the contests became more competitive and my losses narrower. Finally, at twelve, I won for the first time, at Rummikub no less, a game at which she claimed to be undefeated! I felt an overwhelming sense of pride, which was only magnified when I saw the same emotion in my mother's face.

I learned so much from these games beyond the obvious. I learned how to lose, and win, graciously. I learned to enjoy the process, regardless of the outcome. I learned how to take cues from other people but think on my own, both creatively and strategically. I learned how to cope with failure and turn it into a lesson. I learned that true victory stems from hard work and persistence. And I learned that the strongest and most meaningful relationships are not based on indulgence but on honesty and respect.
