The information contained in this manual has been compiled especially to assist you with the implement that you have purchased. It is of the utmost importance that you read this manual, understand the content and **care and a risk assessment** before operating the implement. Please be aware that in an effort to bring you better products we are always implementing continuous improvements that may change the designs and specifications of the implement. In doing this, Kanga Farm Equipment together with its Dealers and Distributors are under no obligation to implement these changes, free of charge, on any previously delivered implement.
