Sharma, Lab Manual **The Red Army Guerrilla Warfare Pocket Manual, 1943** Lester Grau, Michael Gress, 2019-11-19 The indispensable guerilla warfare manual first developed by the Russian military during WWII with a thorough introduction on its legendary history During the Second World War the Red Army developed The Partisan's Companion to train Soviet guerillas to fight Nazi invaders It contains the Soviet lessons of two bitter years of war covering field craft guerilla tactics German counter guerrilla tactics demolitions German and Soviet weapons scouting camouflage anti tank warfare and anti aircraft defense for squad and platoon level instruction It proved so effective that it was later used to train Third World guerrillas in their wars of national liberation during the 1950s 70s and even the Fedayeen guerrillas who fought US and coalition forces in Iraq The Soviet partisans moved and lived clandestinely harassed the enemy and supported the Red Army through reconnaissance and attacks on German supply lines They clearly frustrated German logistics and forced the Germans to periodically sideline divisions for rear area security The partisans and their handbook were a vital part of the eventual Soviet victory over Germany This pocket manual puts The Partisan's Companion in context explaining its importance

Stronger Michael Joseph Gross, 2025-03-11 A groundbreaking richly informative exploration of the central role of muscle in human life and health Stronger sounds an urgent call for each of us to recognize muscle as the vital inextricable and effective partner of the soul Even if you've never picked up a weight Stronger is for you Arnold Schwarzenegger Stronger tells a story of breathtaking scope from the battlefields of the Trojan War in Homer's Iliad where muscles enter the scene of world literature to the all but forgotten Victorian era gyms on both sides of the Atlantic where women build strength and muscle by lifting heavy weights to a retirement home in Boston where a young doctor makes the astonishing discovery that frail ninety year olds can experience the same relative gains of strength and muscle as thirty year olds if they lift weights These surprising tales play out against a background of clashing worldviews an age old competition between athletic trainers and medical doctors to define our understanding and experience of muscle In this conflict muscle got typecast Simplistic binaries of brain versus brawn created a persistent prejudice against muscle and against weight training the type of exercise that best builds muscular strength and power Stronger shows muscle and weight training in a whole new light With warmth and humor Michael Joseph Gross blends history and firsthand reporting in an inspiring narrative packed with practical information based on rigorous scientific studies from around the world The research proves that weight training can help

prevent or treat many chronic diseases and disabilities throughout the lifespan including cardiovascular disease cancer type 2 diabetes osteoarthritis and depression Stronger reveals how all of us from elite powerlifters to people who have never played sports at all can learn to lift weights in ways that yield life's ultimate prize the ability to act upon the world in the ways that we wish
