Mary Seymour, 1878 The Development of the Italian Schools of Painting Raimond van Marle, 1927 **The Development of the Italian Schools of Painting** Charlotte Van Marle, 2013-06-29 With the sudden and immature death of the Author this work which was planned to comprise 21 volumes has had to end with the 18th From a number of students and art critics requests have reached the publisher and myself that an index should be made of the volumes which have been published Herein their desire has been satisfied This general index is divided into two parts one for names of places so that with the greatest ease and without loss of time the student can find all the Italian paintings from early Christian times up to the end of the Quattrocento which are scattered throughout the churches galleries and private collections of Europe and America For the larger towns the material is divided into the following headings I Churches and Monasteries II Public Collections III Public Buildings and Streets IV Private Collections and this order though not indicated has always been followed for the smaller localities The second division contains the names of artists each one accompanied by dates and where possible an indication of the site of his activity The chief aim of this index is to make it easier to consult the enormous amount of material treated in the 18 volumes For the traveller who desires to know what paintings are to be found in any town this index should be a valuable vade mecum Lives of the Saints Rev. Fr. Alban Butler, 1995-07 Butler's Lives of the Saints is the most revered Catholic book after the Bible the Missal and The Imitation of Christ A Saint or two for each day of the calendar Great for a daily meditation each life is followed by a lesson from the life to help us apply the virtues of the Saint to ourselves Great for the entire family Includes famous Saints since Fr Butler's time all recounted in the same beautiful reverent spirit that was his Imprimis *Saint Joseph: His Life, His Virtues, His Privileges, His Power* Reverend Archdeacon Kinane P.P., Aeterna Press, Whilst this book because of its simple structure and consecutiveness is admirably adapted to the humble capacity of the poor and unlettered it will be found at the same time to be well reasoned throughout and convincing and of this I can advance no better proof than by referring the intelligent reader to the chapter on the Catholic doctrine of the Invocation of Saints which is very clearly set forth therein according to the teaching of the great Council of Trent and established beyond the possibility
