The Bible Knowledge Background Commentary Craig A. Evans, 2004 This powerful reference tool provides an in depth look at the historical geographical cultural and economic background of Acts Philemon **Through the Lens of An Ancient Yisra'elite Bible Study** Benjamin Nieves Carrasquillo Jr., 2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite *Jesus Is Risen* David Limbaugh, 2018-10-02 Originally confined to a small circle of believers centered in Jerusalem Christianity's stunning transformation into the world's most popular faith is one of history's greatest most miraculous stories In *Jesus Is Risen* 1 national bestselling author David Limbaugh provides a riveting account of the birth of Christianity Using the Book of Acts and six New Testament epistles as his guide Limbaugh takes readers on an exhilarating journey through the sorrow and suffering as well as the joys and triumphs of the apostles and other key figures as Christianity bursts through the borders of Judea following the death resurrection and ascension of Jesus Christ Limbaugh particularly focuses on the crucial role that the Apostle Paul played in these historic events Facing incredible adversities from arrests to shipwrecks to violent mobs and murder plots Paul overcomes countless obstacles as he travels far and wide to spread the Gospel In *Jesus Is Risen* you will discover How the apostles themselves disproved modern arguments that early Christians did not believe in Jesus divinity The true story behind the first conversion to Christianity by a Gentile The many underhanded ways Christianity's opponents tried in vain to stifle the Church in its infancy Paul's most effective techniques and arguments for bringing converts to Christ Throughout these pages Limbaugh's passion for the Bible is unmistakable and infectious Replete with deep insights into the actions arguments and challenges of the world's first Christian communities *Jesus Is Risen* is a faith affirming book for Christians at all stages of their faith walk **The Gifts of God and the Authentication of a Christian** Paul Douglas Gardner, 2017-04-20 Through an exegetical examination of 1 Corinthians 8:11-12 a central hypothesis is developed that seeks to facilitate a coherent understanding of these chapters and clarify their place in the epistle as a whole It is suggested that in the Corinthian church the gifts of the Spirit and most notably the gift of knowledge had come to be regarded by the so called strong as authenticators of their secure status in the covenant community Paul argued that spiritual gifts could not and should not function in this way Rather for the apostle it is love for God and for the community that alone can function in this way Reading the Letters of Saint Paul Thomas, Carolyn, 2002 Paul's message which is as relevant now as it was in the first century will edify and inspire us to a more intimate relationship with God **Joshua** Roland James Faley, 2011 In Genesis God makes a twofold promise to Abraham many descendants and the making of a great nation Gen 12:2ff In the book of Joshua we find this promise brought to fulfillment as the Israelites come to Canaan the land of promise **Insights on**

Philippians, Colossians, Philemon Charles R. Swindoll, 2017 The complete 16 volume set of Swindoll's Living Insights New Testament Commentary draws on 13 time Christian Book Award winner Chuck Swindoll's more than 50 years of studying and preaching God's Word. Each volume includes both the NLT and NASB translations of the Bible verse by verse commentary, charts, maps, photos, key terms, and background articles with practical application. A must have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word provided by publisher Paul, the Temple, and Building a Metaphor.

David Anthony Basham, 2024-12-12 David Anthony Basham argues that Paul and the Corinthians share a system of associated commonplaces about the Jerusalem temple. Basham proposes that when Paul applies temple language to the Corinthians by calling them *naos theou* (God's temple), he sparks a creative process of interaction between the temple and the Corinthian assembly: a process of selecting, emphasizing, and organizing information from the source domain (temple) to see the target domain (the Corinthians) in a new light. Basham suggests that in understanding Paul's fraught relationship with certain institutions of Second Temple Judaism and his conception of gentile inclusion, we can appreciate the creative ways in which he employs cultic imagery to describe his ministry and the ritual life of early gentile believers. By exploring the construction of metaphor, the depiction of the Jerusalem temple in Paul's letters, and Judaeo-Christian religion among gentiles, Basham demonstrates that Paul's temple metaphor speaks to a new cultic reality for gentiles in Christ that is linked to Israel's worship, though detached from its actual expression in Jerusalem.

Perishable and Imperishable? W. Tyler Sykora, 2023-08-11 The purpose of this book is to re-examine Paul's list of building materials in 1 Cor 3:12 in order to propose that all of the materials should be understood as good and necessary for adequately building in Paul's construction metaphor. 1 Cor 3:9-17. Contra the traditional interpretation which argues that the materials should be broken into two groups of three: namely, three imperishable building materials (gold, silver, and precious stones) and three perishable building materials (wood, hay, and stubble). Paul's argument concerning the building materials listed in 1 Cor 3:12 is not focused on which materials one uses to build (perishable or imperishable) but rather how one builds, i.e., quality construction with the materials. Church members, one has. This reading helps the church and its leaders understand that all the building materials church members are absolutely essential to building of the church. It also emphasizes that leaders of the church must seek to build well with the folly of the gospel and not build their ministries upon themselves.

The Mysteries, Resurrection, and 1 Corinthians 15 Terri

Moore,2018-09-15 Often ignored misunderstood or compared with Christian belief in a haphazard or inconsistent manner the Mysteries of the Graeco Roman world when handled carefully and consistently can aid in elucidating the context of New Testament texts By closely examining the Eleusinian Mysteries and the Mysteries of Isis and particularly their promises of a pleasant afterlife in Hades for those initiated into the cults this work offers insight into difficult interpretational issues in First Corinthians 15 The work proceeds from a methodological commitment to understanding the Mysteries in their own right and without an overlay of Christian belief The book includes a broad overview of the Eleusinian Mysteries and the Mysteries of Isis and their place in Graeco Roman culture taking a deep and careful dive into conceptions of the afterlife in these cults In each instance available historical data is considered from works of mythology to dramas to archeological fragments all with a focus on afterlife beliefs With an ultimate goal to better understand Paul s writing in First Corinthians 15 the study includes an overview of Corinthian society and a particular examination of the available evidence concerning the impact of the Mysteries on Corinthians expectation of the afterlife Having considered the Mysteries independently the work turns to First Corinthians 15 with a brief exegetical overview before drawing careful comparisons between Paul s teaching and the afterlife beliefs of the Mysteries The book concludes with suggestions for interpretational issues on Paul s teaching in first Corinthians 15 regarding death and resurrection and baptism for the dead **Pauline Theology and Mission**

Practice Dean S. Gilliland,1996-08-01 Not since Roland Allen s book in 1912 has there appeared such a thorough study of the Apostle Paul s mission theology and methodology The value of this comprehensive survey writes Harry R Boer in the foreword lies in part in its grounding in careful expository studies of Paul s ministry as revealed in Acts and in the corpus of the Pauline epistles Again and again the author illustrates the abiding relevance of Paul s first century insights for missionary thought and practice in the twentieth century He draws not only on Scripture but also on personal insights and illustrations arising from two decades of missionary service And he enters into significant dialogue with representative missionary literature of the modern period The book s five parts cover theology the sources and nature of Paul s theology and his theological assumptions for mission conversion Paul s conversion in Acts conversion as reality experience and process and conversion and the real world the convert s new life what its spiritual basis is and how to live it the church its oneness diversity and contextuality its leadership worship discipline and finance and the missionary his or her credentials and ministry Paul s theology was irresistible because it was energized by a fresh life changing experience and supported by a new love for all people writes the author in the introduction He then elaborates on four characteristics of that theology it is dynamic evangelical pastoral and holistic The absolute commitment of mind and body soul and spirit that was Paul s his love for the Lord Jesus and lost people everywhere concludes the author in the epilogue must be the very heart of the church

Abandoned to Lust Jennifer Wright Knust,2006 Introduction Who s on top sex talk power and resistance Sexual slander and ancient invective Paul the slaves of desire the the saints of God Sexual vice and Christian Apologia The false teachers of

the end time Illicit sex wicked desire and the demonized heretic **Canaan to Corinth** Michael Li-Tak Shen,2010 Michael Li Tak Shen carefully examines the biblical view of God s absolute uniqueness and argues that the biblical texts are consistent in their prohibition of idolatry and its paraphernalia in whatever form a helpful point in similar pastoral situations today in a world of idols ideologies addictions and runaway consumerism The high view of the absolute nature of God warns against lax and mistaken notions of so called Christian freedom Robert Solomon Bishop the Methodist Church in Singapore Book Jacket **The Soteriological Use of Call by Paul and Luke** Ian Hussey,2018-07-12 The congruence of the theology of Paul and Luke is a matter of debate In particular according to many scholars the soteriologies of Paul and Luke are divergent This volume argues that the usage of language by both Paul and Luke suggests that it may be a common element in their soteriologies The author demonstrates that language is an important concept in the soteriologies of Luke and Paul and that although there are contrasts there are a number of points of comparison Crucial to this common understanding is the association of language with the OT covenants election covenant meals and an expectation of the eschatological banquet As a result of this prominent and consistent usage by Paul and Luke the language of deserves a higher place in the Christian understanding of salvation This has implications for Christian life and practice **Testing the Gospel in the Book of Romans** Charles Tarrell,2020-11-16 Supersessionism is deeply rooted in both Roman Catholic and Protestant theology and is as old as the church It is the belief that the church is the new Israel the true Israel and as such has displaced or superseded ethnic Israel Throughout the history of the church it has been commonly held that the covenants God made with Israel and the promises God gave to that nation now belong to the Christian church The supersession controversy is not an obscure theological debate of interest only to a few Biblical scholars It involves questions of fundamental importance Does the God of the Christian Scriptures keep His promises What are the rules that guide our interpretation of Scripture Is there a connection between Christian theology and anti Semitism in Christian lands The Biblical focus of this controversy is the 11th chapter of the book of Romans There the Apostle Paul courageously addresses the supersession issue Tarrell invites the reader to feast on the riches of Paul s teaching on the atonement Romans 1 8 and to celebrate so great a salvation But he also invites the reader to embrace Paul s teaching about Israel Romans 9 11 God s gift of salvation is precious and is thoroughly explained in the first 8 chapters of Romans But to prove the thesis of the book of Romans Paul tackles the most daunting problem of all the apparent inability of God to fulfill the promises He made to the nation of Israel Bringing up the problem of Israel is a gutsy move But it is the problem that must be addressed **The Earliest View of New Testament Tongues** Maurice E. Vellacott,2024-11-11 This book is a groundbreaking paradigm shifting look at the languages tongues problem gl ssai of the first century AD Corinthian church It adduces that in a multilingual setting new converts were expressing themselves in their native dialect without translation where Koine Greek was not yet overriding all regional dialects This cuts against the idea that tongues were supernatural earthly languages an idea not found before AD 160

Vellacott also argues against the view that tongues were heavenly languages as claimed by Pentecostals Charismatics This he says is a novel trend started about 145 years ago by German higher critical scholars and seized upon after the 1906 15 Los Angeles Azusa Street Revival s supposed supernatural earthly languages proved to be a mirage whereupon a redefinition to heavenly angelic non earthly languages occurred This book soundly establishes the credibility of an ancient third view regarding tongues that they were non supernatural learned earthly languages The author endeavors to demonstrate that this is the earliest known Christian interpretation of New Testament tongues languages *Subject Guide to Books in Print* ,1997
