**Poems of Progress** Ella Wheeler Wilcox,2015-07-07 Excerpt from Poems of Progress And New Thought Pastels Love s Language When silence flees before the voice of Love Of what expression does that god approve Is dulcet song or flowing verse his choice Or stately prose made regal by his voice Speaks Love in couplets or in epics grand And is love humble or does he command There is no language that Love does not speak To day commanding and to morrow

meek One hour laconic and the next verbose With hope triumphant and with doubt morose His varying moods all forms of speech employ To give expression to his painful joy To voice the phases of his joyful pain He rings the changes on the poet's strain Yet not in epic epigram or verse Can Love the passion of his heart rehearse All speech all language is inadequate There are no words with Love commensurate About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
