The Silence Beyond Michael King, 2011-06-03 Michael King was a writer of remarkable skill sensitivity and importance The Silence Beyond is a wide ranging and often personal collection of King's writings many in print for the first time or no longer available including essays talks and eulogies for friends **Directory of Australian and New Zealand Databases**, 1988 **Benn's Media**, 2002 *The Riddle Exposed: William Stokes*, 2021-03 In 1973 the firebombing of the Whiskey Au Go Go nightclub grabbed the headlines in Brisbane unlike any other disaster beforehand 15 people were killed amid the inferno the worst mass murder ever in Australia Rumours were rife Detectives were forewarned but was the firebombing part of an implausible notion to embark on an extortion racket Or was it a scheme for insurance purposes Perhaps it was the act of a disgruntled customer a former employee or someone owed money Politicians from all sides of Parliament demanded quick answers Unbeknown to but a few early in the morning after the fire Billy McCulkin was the first person interviewed by detectives while his wife and young daughters fled from their Highgate Hill house and they only returned to their house after the arrests of John Stuart and Jim Finch Later Mrs McCulkin confided to her co worker as well as a neighbour and her brother that she feared for her safety because she knew her husband and his associates were involved in both the Torino and Whiskey Au Go Go nightclub fires During the months of anxiety for Mrs McCulkin the courtroom appearances of Stuart and Finch heard repeated outbursts from them asserting that detectives had concocted a false verbal confession The subsequent wire swallowing protests by Stuart and Finch were extraordinary Finch even whacked off a piece of his finger but the self mutilating efforts from both achieved nothing The trial being the longest and costliest staged in Queensland proceeded without Stuart or any legal representative for him while he lay handcuffed to a hospital bed a first for any Australian court when a life imprisonment term is mandatory Not long after the Whiskey murder trial and the fifth reported wire swallowing protest from Stuart Mrs Barbara McCulkin and her two daughters disappeared murdered by Vince O Dempsey and Gary Dubois though they were not then brought to stand trial because the case was far too riddled with the standard 1970s police corruption Interwoven around the Waterside Workers Union journal Port News as its publisher William Stokes account of his acquaintanceship with everyone concerned including the bizarre Clockwork Orange gang and a nympho wife who believed she was demoniacally possessed leads to a harrowing tale Expect the unexpected New South Wales Railway and Tramway Magazine, 1923 *Sport, War and Society in Australia and New Zealand* Martin Crotty, Robert Hess, 2018-02-02 Sport and war have been closely linked in Australian and New Zealand society since the nineteenth century Sport has variously been advocated as appropriate training for war lambasted as a distraction from the war effort and resorted to as an escape from wartime trials and tribulations War has limited the fortunes of some sporting codes and some individuals while others have blossomed in the changed circumstances The chapters in this book range widely over the broad subject of Australian and New Zealand sport and their relation to the cataclysmic world wars of the first half of the twentieth century

They examine the mythology of the links between sport and war sporting codes groups of sporting individuals and individual sportspeople Revealing complex and often unpredictable effects of total wars upon individuals and social groups which as always created chaos and the sporting field offered no exception This book was originally published as a special issue of the International Journal of the History of Sport **Hong Kong** Phil Mac Donald,2006 This guide to Hong Kong contains in depth information combined with detailed maps and colour photographs Special feature spreads provide facts combined with walks and drives in the surrounding area *The Keeneland Association Library* Amelia King Buckley,2014-07-15 A research center for Thoroughbred racing breeding and related subjects the Keeneland Association Library is located at Keeneland Race Course near Lexington Kentucky Amelia King Buckley who became librarian in 1953 has compiled an alphabetical author listing of the titles in this unique collection as of June 1 1958 Begun in 1939 with a gift of 2 000 volumes from William Arnold Hanger the library has grown with the addition of other gifts and purchases and now comprises one of the finest collections in its field The published catalog includes more than 900 monograph titles more than 100 serial titles selected sales catalogs private studbooks bound pamphlets and a small amount of manuscript material The volume is illustrated with photographs from the library s remarkable collection of 15 000 negatives taken by the late Charles Christian Cook one of the first American photographers to specialize in racing scenes **Sport and the New Zealanders** Greg Ryan,Geoff Watson,2018-08-09 A history of New Zealanders and the sports that we have made our own from the Maori world to today s professional athletes in the pubs during the furious session between 5pm and closing time an hour later the friend of a relative of a horse trainer is a veritable patriarch No matador in Madrid no tenor in Turin could be sure of such flattering attention As Brittenden suggested sport has played a central part in the social and cultural history of Aotearoa New Zealand throughout its history This book tells the story of sport in New Zealand for the first time from the Maori world to today s professional athletes Through rugby and netball bodybuilding and surf lifesaving the book introduces readers to the history of the codes the organisations and the players It takes us into the stands and on to the sidelines to examine the meaning of sport to its participants its followers and to the communities to which they belonged Why did rugby become much more important than soccer in New Zealand What role have Maori played in our sporting life Do we really punch above our weight in international sport Does sport still define our national identity Viewing New Zealand sport as activity and as imagination Sport and the New Zealanders is a major history of a central strand of New Zealand life **The British Australasian** ,1919
