Taylor Jr.,Walter Hill,2013-06-17 This collection of 12 new essays will tell the story of how the gradual transformation of industrial society into service driven postindustrial society affected black life and culture in the city between 1900 and 1950 and it will shed light on the development of those forces that wreaked havoc in the lives of African Americans in the succeeding epoch The book will examine the black urban experience in the northern southern and western regions of the U S and will be thematically organized around the themes of work community city buliding and protest the analytic focus will be on the efforts of African Americans to find work and build communities in a constant ly changing economy and urban environments tinged with racism hostility and the notions of white supremacy Some chapters will be based on original research while others will represent a systhesis of existing literature on that topic *Cincinnati Magazine* ,2007-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *The Diary of Edmund Ruffin* Edmund Ruffin,1989-10-01 In this last of the three volume printed edition of The Diary of Edmund Ruffin the celebrated Virginia agricultural reformer and apostle of secession chronicles the increasingly melancholy events of the last two years of the Civil War and of his own life Apart from one brief sojourn in Charleston Edmund Ruffin spent the last two years of the war in Virginia Failing health and the course of the war prevented the devout Confederate from traveling to important battle sites and recording events there firsthand as he had done in the earlier years of the war Unable to move about Ruffin nonetheless continued to follow the war closely and to keep a daily commentary on contemporary events This commentary provides a remarkably dispassionate and astute analysis of the declining military fortunes of the Confederacy as well as an illuminating portrait of deteriorating conditions on the home front Yet this final volume of Ruffin s diary is more than a record of first impressions of public events as Ruffin claimed Ruffin comments on religion race class and politics The topics he discusses range from the controversy over the enrollment of black troops and the transition to free labor at war s end to an extended discourse on de Tocqueville s Democracy in America As the final curtain fell on the Confederacy the embittered southern nationalist overwhelmed by physical maladies and familial misfortunes resolved to take his own life Only two months after Lee s surrender to Grant and less than fifty miles from Appomattox Ruffin fired the last shot in his own private war against the Yankees a bullet through his head Rich in detail as well as in Ruffin s personal beliefs this carefully edited diary stands as one of the most valuable documents of the Civil War era [Catalog of Copyright Entries.
