# Nineteen Mostly English Edition

**Michael Winship**

## **Nineteen Mostly English Edition:**

**Routledge Library Editions: Art and Culture in the Nineteenth Century** Various, 2021-03-29 This set of 11 volumes originally published between 1946 and 2001 amalgamates a wide breadth of research on Art and Culture in the Nineteenth Century including studies on photography theatre opera and music This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of art and cultural history

**An Annotated Bibliography of Nineteenth-century Grammars of English** Manfred Görlach, 1998-01-01 In the 19th century education became accessible to much wider circles of society in a great number and variety of schools and the teaching of grammar came to be obligatory from 1870/72 with the advent of general education Whereas these general trends of the 19th century are well known to scholars working in different disciplines of social history and the history of education in particular it is still true that major sections of the evidence are largely uncollected This is especially so for school books there is virtually a gap between the 18th century and the present grammatical tradition This bibliography lists some 1930 works on English grammar published in the 19th century mainly in Britain and the US half of which are accompanied by short descriptions of their physical make up content and affiliation

**The Vampire in Nineteenth Century English Literature** Carol A. Senf, 2013-02 Carol A Senf traces the vampire's evolution from folklore to twentieth century popular culture and explains why this creature became such an important metaphor in Victorian England This bloodsucker who had stalked the folklore of almost every culture became the property of serious artists and thinkers in Victorian England including Charlotte and Emily Brontë George Eliot Charles Dickens Karl Marx and Friedrich Engels People who did not believe in the existence of vampires nonetheless saw numerous metaphoric possibilities in a creature from the past that exerted pressure on the present and was often threatening because of its sexuality

**The Poets and Poetry of America to the Middle of the Nineteenth Century ... Eleventh Edition, Revised** Rufus Wilmot Griswold, 1852 **English Literature of the Nineteenth Century: on the plan of the author's "Compendium of English Literature," and supplementary to it ... Stereotype edition** Charles Dexter

Cleveland, 1857 *English Literature of the Nineteenth Century ...* Charles Dexter Cleveland, 1851 **English Prose: Nineteenth century** Sir Henry Craik, 1923 *Islam as Imagined in Eighteenth and Nineteenth Century English Literature*

Clinton Bennett, 2022-11-29 Since medieval times English literature has often demonized Muslims The term Islamophobia is recent but the phenomenon is old This survey of literature focusing on the modern period up to 1914 identifies negative ideas about Islam in novels and plays Some works are iconic some more obscure However the book highlights writers who challenged stereotypes and tended to see Muslims as equally capable of virtue and vice as Christians and others The book deals with the role of the imagination in depicting others and how this serves authors' agendas The conclusion brings the book's thesis into dialogue with the debate in the USA today between supporters of multiculturalism and its critics Anyone

interested in how stereotypes are formed perpetuated and can be challenged will profit from this book It is aimed at a non specialist readership *The Piano in Nineteenth-Century British Culture* Susan Wollenberg, 2017-09-29 Since the publication of *The London Pianoforte School* ed Nicholas Temperley twenty years ago research has proliferated in the area of music for the piano during the late eighteenth and nineteenth centuries and into developments in the musical life of London for a time the centre of piano manufacturing publishing and performance But none has focused on the piano exclusively within Britain The eleven chapters in this volume explore major issues surrounding the instrument its performers and music within an expanded geographical context created by the spread of the instrument and the growth of concert touring Topics covered include the piano trade and how piano manufacturing affected a major provincial town the reception of Bach's Well Tempered Clavier and Clementi's *Gradus ad Parnassum* during the nineteenth century the shift from composer pianists to pianist interpreters in the first half of the century that triggered crucial changes in piano performance and concert structure the growth of musical life in the peripheries outside major musical centres the pianist as advocate for contemporary composers as well as for historical repertory the status of British pianists both in relation to foreigners on tour in Britain and as welcomed star performers in outposts of the Empire marketing forces that had an impact on piano sales concerts and piano careers leading virtuosos writers and critics the important role played by women pianists and the development of the recording industry bringing the volume into the early twentieth century *English Prose of the Nineteenth Century* Hardin Craig, Joseph Morris Thomas, *American Literary Publishing in the Mid-nineteenth Century* Michael Winship, 1995 This is a study of some of the central questions in literary publishing in mid nineteenth century North America and Britain addressed through examination of the unusually rich archives of a unique publishing firm Boston based Ticknor and Fields one of the pre eminent literary publishers of its time enjoyed close links with Britain and also developed new production distribution and marketing skills as the settlement of North America pushed ever further west Michael Winship has studied the firm's business records and publications in detail he reveals what Ticknor and Fields published its costs of production the ways it marketed and distributed its books and the profits it made Winship goes on to explore the implications of the firm's work for the book trade in general and to show how an investigation of Ticknor and Fields enriches our understanding of the literary and cultural history of Britain and North America **The Memorial History of the City of New-York** James Grant Wilson, 1893 A directory of New York City for 1665 vol 1 p 338 340 **English Prose of the Nineteenth Century** Hardin Craig, Joseph Morris Thomas, 1929 *Teaching and Learning in Nineteenth-century Cambridge* Jonathan Smith, Christopher Stray, 2001 Teaching and learning in nineteenth century Cambridge focuses on college university relationships the role of examinations the politics of the curriculum and developments in Cambridge during the century 'Gypsies' in Nineteenth-Century Children's Books Jean Kommers, 2023-03-06 This literary analysis of the representation of Gypsies in juvenile literature is unique in its comparative scope as well as in the special attention to rare pre 1850 narratives the period

in which juvenile literature developed as a specific genre Most studies on the subject are about one national literary tradition or confined to a limited period In this study Dutch English French and German texts are analysed and discussed with reference to main academic publications on the subject Emphasis is on the rich variation in narrative presentations rather than on an inventory of images or prejudices An important topic is the fundamental difference between early English and German narratives Important because of the wide dissemination of German stories      **The English Cathedral of the Nineteenth Century** Alexander James Beresford Beresford Hope,1861      **Nineteenth-Century English Labouring-Class Poets Vol 3** John Goodridge,2020-08-13 Over 100 poets of labouring class origin were published in Britain in the 18th and 19th centuries Some were hugely popular and important in their day but few are available today This is a collection of some of those poems from the 19th century      Nineteenth Century Russian Literature John Fennell,1973      **The English Church in the Nineteenth Century** Francis Warre Cornish,1910      Italian Literature in the Nineteenth Century George Washington Greene,1840
