Real Country Leslie Brunetsky, 2009-01-01 Two middle-aged women, Leslie and Hope, traded their familiar urban environment outside Washington, DC, for a log cabin in the heart of southern Appalachia. Part One of *Real Country* describes their growing disenchantment with urban life and the progression of incidents that set them searching for their inner Heidi. The second part of *Real Country* consists of 50 humorous letters recounting their adventures and misadventures as they tried to fit in among the mountain people. They will tickle your funny bone as you share their experiences involving communication, food, religion, politics, and a variety of local customs. People considering a similar lifestyle change will gain insight into the challenges of becoming a foreigner in this rural part of the U.S. and an understanding of the need for a strong sense of humor while they work toward acceptance by the mountain people. Leslie Brunetsky's *Real Country* is a hilarious expose of how ignorant we urban dwellers are when we head
