How to Repair Automotive Dents, Scratches, Tears and Stains Kris Palmer,2011-06-13 Fix It How to Repair Automotive Dents Scratches Tears and Stains is a complete guide for any car or truck owner who wants their ride to look feel and smell like it did the day they bought it Years of commuting to work and family vacations will take its toll on a car Coffee spills paint scratches and fades hoods and fenders acquire dents and rust and smells linger in the upholstery and ventilation It all adds up to a car that s not as fun to drive as it used to be and maybe even embarrassing Whether breathing new life into your reliable ride or getting it ready to sell you can solve these problems with a few basic tools and products and the right instruction on how to use them Fix It How to Repair Automotive Dents Scratches Tears and Stains provides step by step projects anyone at any skill level can accomplish to help keep their car looking its best From buffing a scratch to popping a dent doing it yourself has never been easier When Forgiveness Doesn't Make Sense Robert Jeffress,2013-07-03 Forgiveness Is Always Difficult and Often Illogical But It s the Only Remedy God Offers to Heal Our Hearts With the experience of more than two decades in the ministry Dr Robert Jeffress has come to the conclusion that forgiveness is the bottom line issue of life Failure to receive God s forgiveness results in eternal hell failure to grant forgiveness to those who have hurt us results in a living hell While most people especially Christians esteem the concept of forgiveness in theory few have mastered what one person has called the art of forgiveness As C S Lewis once said Forgiveness is a beautiful word until you have something to forgive When Forgiveness Doesn t Make Sense is an intensely biblical yet extremely practical approach to this crucial issue Dr Jeffress deals with the major misunderstandings about forgiveness believing you cannot forgive those who never ask for it confusing forgiveness with forgetting or with reconciliation and believing that forgiveness automatically erases the consequences of harmful actions Dr Jeffress explains the process of our forgiveness by God as well as the power of our forgiveness of others

Readers will also learn questions to ask themselves before they seek forgiveness from another essentials of an effective apology reasons others may refuse to forgive them action steps for dealing with painful memories a check list to determine whether they have genuinely forgiven another and much more Forgiveness is difficult and often illogical But When Forgiveness Doesn't Make Sense will equip and encourage readers to become more forgiving and to experience God's forgiveness more deeply At some time in our lives we will be hurt deeply by another person It may be a family member who mistreats us a business associate who cheats us a child who rebels against us a friend who betrays us a mate who deserts us or a God who disappoints us While we can't control the hurts that come into our lives we can choose what to do with those hurts We can let them make us bitter or we can release them through forgiveness While forgiveness doesn't always seem to make sense as Dr Robert Jeffress explains in his important new book it is the only way God has given us to effectively resolve the pain of our past More importantly it's the obligation of every Christian
