**Frontier of Fear** David L. Gosling,2016-02-03 The troubled borderland of Pakistan

and Afghanistan the so called AfPak region is one of the most dangerous areas of the world Between 2006 and 2010 David L Gosling lived in Peshawar the provincial capital of Khyber Pakhtunkhwa where he was principal of Edwardes College a prestigious higher education college affiliated with the University of Peshawar In this book Gosling describes his time at Edwardes College and the challenges and changes of his tenure Already the first co educational college in the province Gosling significantly increased the proportion of female students and staff The book also describes the early stages of Taliban growth in Afghanistan its spill over into the tribal borderlands of Pakistan and how a combination of Pakistan army activity and US drone strikes provoked a furious backlash by Taliban groups against civilian targets in and around Peshawar including death threats against the author Providing a personal account of the education and politics of this frontier region this book offers a unique viewpoint on a part of the world which is often misunderstood **The Hellenizing Muse**

Filippomaria Pontani, Stefan Weise, 2021-11-08 Traditionally the history of Ancient Greek literature ends with Antiquity after the fall of Rome the literary works in ancient Greek generally belong to the domain of the Byzantine Empire However after the Byzantine refugees restored the knowledge of Ancient Greek in the west during the early humanistic period 15th century Italian scholars and later their French German Spanish colleagues started to use Greek a purely literary language that no one spoke for their own texts and poems This habit persisted with various ups and downs throughout the centuries according to the development of Greek studies in each country The aim of this anthology the first one of this kind is to give a selective overview of this kind of humanistic poetry in Ancient Greek embracing all major regions of Europe and trying to concentrate on remarkable pieces of important poets The ultimate goal of the book is to shed light on an important and so far mostly neglected aspect of the European heritage *Journeys of the Mind* Peter Brown, 2025-10-28 A beautifully written personal account of the discovery of late antiquity by one of the world s most influential and distinguished historians The end of the ancient world was long regarded by historians as a time of decadence decline and fall In his career long engagement with this era the widely acclaimed and pathbreaking historian Peter Brown has shown however that the neglected half millennium now known as late antiquity was in fact crucial to the development of modern Europe and the Middle East In *Journeys of the Mind* Brown recounts his life and work describing his efforts to recapture the spirit of an age As he and other scholars opened up the history of the classical world in its last centuries to the wider world of Eurasia and northern Africa they discovered previously overlooked areas of religious and cultural creativity as well as foundational institution building A respect for diversity and outreach to the non European world relatively recent concerns in other fields have been a matter of course for decades among the leading scholars of late antiquity Documenting both his own intellectual development and the emergence of a new and influential field of study Brown describes his childhood and education in Ireland his university and academic training in England and his extensive travels particularly in the eastern Mediterranean and the Middle East He discusses fruitful interactions with the work of scholars and colleagues that include the British anthropologist Mary Douglas

and the French theorist Michel Foucault and offers fascinating snapshots of such far flung places as colonial Sudan midcentury Oxford and prerevolutionary Iran With *Journeys of the Mind* Brown offers an essential account of the grand endeavor to reimagine a decisive historical moment *J. L. Austin* M. W. Rowe, 2023-04-15 The first biography of the philosopher who became a mastermind of Allied intelligence in World War Two Austere witty and formidable J L Austin 1911 1960 was the leader of Oxford Ordinary Language Philosophy and the founder of speech act theory This book the first full length biography of Austin enhances our understanding of his dominance in 1950s Oxford examining the significance of his famous Saturday morning seminars and his sometimes tense relationships with Gilbert Ryle Isaiah Berlin A J Ayer and Elizabeth Anscombe Throwing new light on Austin s own intellectual development it probes the strengths and weaknesses of his mature philosophy and reconstructs his late unpublished work on sound symbolism Austin s philosophical work remains highly influential but much less well known is his outstanding contribution to British Intelligence in World War Two The twelve central chapters thus investigate Austin s part in the North African campaign the search for the V weapons the preparations for D Day the Battle of Arnhem and the Ardennes Offensive and show that in the case of D Day he played a major role in the ultimate Allied victory While exploring Austin s dramatic and romantic personal history Rowe pays close attention to his harsh schooling and pre war affair with a married Frenchwoman his wartime marriage bomb injury and response to a colleague s murder and his post war family life the growing influence of America and his tragically premature death Adding considerably to our knowledge of World War Two and Austin s diverse and enduring influence this biography reveals the true complexity of his character and the full range and significance of his achievements *The Coming Storm* Nigel McCrery, 2017-07-30 The outbreak of the Second World War came towards the closing stages of the 1939 cricket season Hitler permitted us almost to complete an exceptionally interesting season Sir Home Gordon wrote in the *Cricketer* magazine When shall we see the stumps pitched again As the West Indies touring team canceled their last five matches and sailed home before the U boat threat developed the treasures at Lords including the Ashes were sent to a secret location for safekeeping The Marylebone Cricket Club cancelled its tour to India England played under the MCC banner then During the ensuing conflict twelve test cricketers five English two South Africans one Australian and one New Zealander perished together with 130 first class players In this superbly researched sequel to *Final Wicket* covering cricketing fatalities during The Great War this book reveals each mans career details including cricketing statistics and the circumstances of death There is also a brief history of the game during the War Arguably the period between the two world wars was the golden age of cricket and this book honors those who made it so only to die serving their countries in a different way **The Permanent Members of the United Nations Security Council and International Law** Max Hilaire, 2025-03-30 International law is currently under stress due to the ongoing conflicts in Ukraine Gaza Sudan Haiti the Democratic Republic of Congo DRC Syria Yemen and Libya Additionally the growing threats posed by hybrid warfare disinformation climate

change terrorism forced migration and nationalism are straining international institutions and the ability of governments to collectively address these issues Notwithstanding the misconceptions many have about international law states and non state actors alike still look to international law to solve complex global problems But many scholars and practitioners question the relevance and effectiveness of international law in deterring bad behavior and holding recalcitrant states accountable They point to the Permanent Members of the United Nations Security Council UK US France China and Russia P5 whose blatant disregard for international law and the United Nations Charter is undermining the postwar international legal order Although the P5 are supposedly the custodians of the international legal order and play an important role in the enforcement of international law they make exceptions to the law when it is in their national interest to do so operating with absolute authority and with impunity International law is what binds nations as a global community and without international law there is no international community This project seeks to elucidate the importance of international law in the foreign relations of the P5 to better understand their behavior

*Masculine Plural* Jennifer Ingleheart,2018-09-06 The Classics were core to the curriculum and ethos of the intensely homosocial Victorian and Edwardian public schools yet ancient homosexuality and erotic pedagogy were problematic to the educational establishment which expurgated classical texts with sexual content This volume analyses the intimate and uncomfortable nexus between the Classics sex and education primarily through the figure of the schoolmaster Philip Gillespie Bainbrigge 1890 1918 whose clandestine writings not only explore homoerotic desires but also offer insightful comments on Classical education Now a marginalized figure Bainbrigge s surviving works a verse drama entitled *Achilles in Scyros* featuring a cross dressing Achilles and a Chorus of lesbian schoolgirls and a Latin dialogue between schoolboys vividly demonstrate the queer potential of Classics and are marked by a celebration of the pleasures of sex and a refusal to apologize for homoerotic desire Reprinted here in their entirety they are accompanied by chapters setting them in their social and literary context including their parallels with the writings of Bainbrigge s contemporaries and near contemporaries such as John Addington Symonds E M Forster and A E Housman What emerges is a provocative new perspective on the history of sexuality and the place of the Classics within that history which demonstrates that a highly queer version of Classics was possible in private contexts

### **The Untold Vajpayee** Ullekh N P,2018-01-01 Despite his

grand secular statements in Parliament that bordered on the Nehruvian Atal Bihari Vajpayee has often taken brief excursions into the hardline camp In 1983 he made an incendiary speech during the Assam elections in which the presence of Bangladeshi foreigners in the state was a big issue Even the BJP had disowned Vajpayee's speech which possibly inspired the massacre of over 2000 people mostly Muslims in Nellie in Assam Vajpayee one of the shrewdest politicians of India is known for negotiating multiple contradictions from militant nationalism to his secret family life his stint as a communist his indulgence in food influence of Gandhi and Nehru Narendra Modi and Gujarat issues foreign policies and his attempt to project himself as a moderate face if not liberal among others Exploring crucial milestones of Vajpayee's career and his traits as a seasoned politician the book looks at his relationship with leaders of his party and the love hate association with RSS and its feeder organizations Thoroughly researched supported by hard facts and accompanied by inside stories and anecdotes insightful interviews and archival photographs The Untold Vajpayee would open a window to the life and times of a poet politician

*Education Policy* Les Bell, Howard Stevenson, 2006-09-27 The study of educational leadership makes little sense unless it is in relation to who the leaders are how they are leading what is being led and with what effect Based on the premise that learning is at the heart of leadership and that leaders themselves should be learners the Leadership for Learning series explores the connections between educational leadership policy curriculum human resources and accountability Each book in the series approaches its subject matter through a three fold structure of process themes and impact Series Editors Clive Dimmock Mark Brundrett and Les Bell As global pressures focus increasing attention on the outcomes of education policy and on their implications for economic prosperity and social citizenship the experience of each individual learner is decisively shaped by the wider policy environment However there is often an underdeveloped understanding of how education policy is formed what drives it and how it impacts on schools and colleges This book explicitly makes these connections and links them to the wider challenges of educational leadership in a modern context Education Policy is divided into three sections which examine the development of policy at the levels of the nation state and individual institutions the forces that shape policies with emphasis on human capital theory citizenship and social justice and accountability research based case studies highlighting the application of policy in a range of situations The book provides a valuable resource for students practitioners middle managers and educational leaders in all sectors both in the UK and internationally who are engaged on masters and doctoral degrees or undertaking leadership training and preparation programmes

**Africa in Global History** Toyin Falola, Mohammed Bashir Salau, 2021-12-06 This handbook places emphasis on modern contemporary times and offers relevant sophisticated and comprehensive overviews It aims to emphasize the religious economic political cultural and social connections between Africa and the rest of the world and features comparisons as well

as an interdisciplinary approach in order to examine the place of Africa in global history This book makes an important contribution to the discussion on the place of Africa in the world and of the world in Africa An outstanding work of scholarship it powerfully demonstrates that Africa is not marginal to global concerns Its labor and resources have made our world and the continent deserves our respect Mukhtar Umar Bunza Professor of Social History Usmanu Danfodiyo University Sokoto and Commissioner for Higher Education Kebbi State Nigeria This is a deep plunge into the critical place of Africa in global history The handbook blends a rich set of important tapestries and analysis of the conceptual framework of African diaspora histories imperialism and globalization By foregrounding the authentic voices of African interpreters of transnational interactions and exchanges the Handbook demonstrates a genuine commitment to the promotion of decolonized and indigenous knowledge on African continent and its peoples Samuel Oloruntoba Visiting Research Professor Institute of African Studies Carleton University

Football's Past Revisited Graham Curry, 2024-10-28 This book delves into the complex yet fascinating evolution of football From a relatively unruly mob game played on festival days the game was adopted codified and civilised by the major English Public Schools and then diffused into the wider society to become a codified modern sports form The birth of the Football Association in 1863 in London provided compromise rules enabling teams geographically divided by distance and football's differing interpretations to oppose each other which marked a pivotal moment for the sport Thereon history records the establishment of the FA Cup football's internationalisation the advent of professionalism and perhaps finally the establishment of a national league structure all of these developments originally taking place in the British Isles Within this multifaceted framework eminent sociologists and historians have attempted to wrestle with these processes As a result over the past two decades researchers and academics have reached the conclusion that although a solid grounding in the macro history of football is required testing the existing hypotheses and questions in the early development of the game is best explored by drilling down deeply into local studies using a micro historical approach Consequently many of the chapters included in this book on Staffordshire Norfolk London Sheffield East Lancashire Rugby School follow this methodology This book is an essential read for students scholars and academics of sports studies history sociology development and management as well as an engrossing read for anyone interested in the early history of football The chapters in this book were originally published as a special issue of Soccer Society

**Housman Country** Peter Parker, 2017-06-20 Parker's beautiful Housman Country tells you everything you want to know about the life and influence of England's most satirised but inimitable poets Evening Standard A New York Times Book Review Editor's Choice Nominated for the 2017 PEN Bograd Weld Prize for Biography A E Housman's A Shropshire Lad made little impression when it was first published in 1896 but has since become one of the best loved volumes of poetry in the English language Its evocation of the English countryside thwarted love and a yearning for things lost is as potent today as it was more than a century ago and the book has never been out of print In Housman Country Peter Parker explores the

lives of A E Housman and his most famous book and in doing so shows how A Shropshire Lad has permeated English life and culture since its publication The poems were taken to war by soldiers who wanted to carry England in their pockets were adapted by composers trying to create a new kind of English music and have influenced poetry fiction music and drama right up to the present day Everyone has a personal land of lost content with blue remembered hills and Housman has been a tangible and far reaching presence in a startling range of work from the war poets and Ralph Vaughan Williams to Inspector Morse and Morrissey Housman Country is a vivid exploration of England and Englishness in which Parker maps out terrain that is as historical and emotional as it is topographical A rich blend of literary criticism and cultural history The Spectator

**Comic empires** Richard Scully,Andrekos Varnava,2019-11-04 Comic empires is an innovative collection of new scholarly research exploring the relationship between imperialism and cartoons caricature and comic art **George Raikes:**

**'Muscular Christianity?'** Stephen Musk,2017-02-01 Born and raised in Norfolk and educated at Oxford George Raikes 1873 1966 was an all round sportsman gaining four blues for soccer and two for cricket in the 1890s as well as being effective on the golf course and the tennis court As a goalkeeper his reviews were almost all rave and it was no surprise when he earned four caps for England what was a surprise was that he retired abruptly at the age of 23 to enter the Church However his religious duties did not entirely prevent him from playing cricket and he re appeared for Norfolk in 1904 re invented as an inspirational and astute skipper leading Norfolk to two Minor Counties Championships in his four years as captain and intriguingly as one of the first modern leg spinners developing and retaining control over a variety of deliveries that bamboozled Minor Counties batsmen across the country This book aims to place Raikes sporting deeds in the context of the rise of professionalism in soccer the inter play between religion and sport at the end of the 19th century and the development of wrist spin Alas it does not claim to understand the theory behind his occasional use of the slow beamer as a stock delivery
