Justice at the Heart of Liturgy Bryan Cones, 2025-08-01 The connection between liturgy and justice has long been assumed Faithful celebration of Eucharist would lead to just sharing of the fruit of the earth and the work of human hands Baptizing persons of every people and nation would yield societies in which each person treats another as a treasured image of God Regular faithful engagement with scripture would shape followers of Jesus into living words within the Word Yet centuries of Christian practice and decades of reflection on the connection between liturgy and justice continue to produce broken human relationships shaped by colonisation disparities based on colour and culture and nature broken by a climate crisis worked by human hands To Nevertheless essays in this collection seek to engage the unresolved tension between the world in which humanity lives and the one proposed in Christian common prayer Gerard Moore asks if the law of prayer that guides assemblies is tainted by an imperial shape that impairs its witness Anita Monro laments a lack of honesty in so many Christian gatherings where confession and lament are absent not least when assemblies gather on stolen land Stephen Burns responds to their prompts by proposing patterns that might steer common prayer toward more authentic kingdom scenes that signal God s dominion Annie Brophy applies such wisdom to her own Uniting Church in Australia asking whether its resources for prayer measure up to that church s stated commitment to justice in the matter of gender and reconciliation with Australia s First Peoples Jason McFarland and Angela McCarthy report on ecumenical efforts underway to right the relationship between human bodies at prayer and the continuous praise of the rest of creation Might an ecumenical Feast of Creation be a step in that direction Like so many questions posed by contributors to this volume the path to joining liturgy and justice walking hand in hand remains unclear

Tracing the cultural legacy of Irish Catholicism

Eamon Maher, Eugene O'Brien, 2017-04-06 This book traces the steady decline in Irish Catholicism from the visit of Pope John Paul II in 1979 up to the Cloyne report into clerical sex abuse in that diocese in 2011. The young people awaiting the Pope's address in Galway were entertained by two of Ireland's most charismatic clerics: Bishop Eamon Casey and Fr Michael Cleary, both of whom were subsequently revealed to have been engaged in romantic liaisons at the time. The decades that followed the Pope's visit were characterised by the increasing secularisation of Irish society. Boasting an impressive array of contributors from various backgrounds and expertise, the essays in the book attempt to trace the exact reasons for the progressive dismantling of the cultural legacy of Catholicism and the consequences this has had on Irish society.

Catholicism Today Evyatar Marienberg, 2014-08-07 Catholics are not Christians. They worship Mary. They do whatever the pope says. They cannot divorce. They eat fish on Fridays. These flawed but common statements reflect a combined ignorance of and fascination with Catholicism and the Catholic Church. *Catholicism Today: An Introduction to the Contemporary Catholic Church* aims to familiarize its readers with contemporary Catholicism. The book is designed to address common misconceptions and frequently asked questions regarding the Church, its teachings, and the lived experience of Catholics in modern societies worldwide. Opening with a concise historical overview of Christianity in general and Catholicism in particular, the text explores the core beliefs and rituals that define Catholicism in practice, the organization of the Church, and the Catholic calendar, as well as the broad question of what it means to be Catholic in a variety of cultural contexts. The book ends with a discussion of the challenges facing the Church both now and in the coming decades. Also included are two short appendices on Eastern Catholicism and Catholicism in the United States.
