A Family Guide to Spiritual Warfare Kathleen Beckman, 2020-09-11 Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off limits to demonic activity. **The "Supernatural Powers" in the Marriage Sacrament: Christ's Unique Saving Gift to Husband and Wife** Jeff Edward Poulin, 2023-04-10

Entrenched in the teachings of the Church and enriched by the Bible is an untapped wealth of truth and what Pope Pius XI in his encyclical *Casti Connubii* calls supernatural powers concerning sacramental marriage that awaits those willing to undergo the journey. In this book *The Supernatural Powers in the Marriage Sacrament*, those who seek will indeed find that through a systematic and tenable development of marriage, its mystery is not only illustrated and unveiled but perpetuated in the supernatural gifts that Christ has embedded in this vocational Sacrament. Throughout these pages as the marital union unfolds through the lens of Christ across the Old and New Testaments, Christian spouses will be moved by the depth of their own calling and inspired with renewed vigor to pick up the torch and to live out that life, a life which has been ordained by God in holiness as a truly unique and efficacious revelation of the redeeming power of Christ. In Part I of *The Supernatural Powers in the Marriage Sacrament*, the first seven chapters are specifically designed to lead deacons, catechists, and lay Catholics, especially husbands and wives, to learn through a gradual yet intensively biblical and theological journey towards the unveiling of the unique redeeming gift to spouses that which is seen established and empowered through Christ at the Cross. Here one finds the specific dynamics of that Sacramental gift unpacked and the sound spiritual evidence laid out for why there is such an absence of this marital fruit in our modern era. In Part II, Poulin then unpacks in greater detail how marriage and the gender of husband and wife serve as a revelation about man, salvation, and the Blessed Trinity, and just how the religious life falls within that plan without contradiction or constraint. Lastly, in Part III, Jeff Poulin puts under the microscope, through the lens of the Church, the powerful words of St. Paul in 1 Corinthians 7:14 and defends the charge that the simplest Catholic explanation, that which is often dismissed, merits a serious second look.

A People's Guide to An Interfaith Christian Theology in a Time of Transformation Harvey H. Honig, 2022-05-17 Harvey H. Honig began his life's work as a Lutheran minister but soon recognized his need for a more spacious and inclusive approach through which to heal and understand his inner self. This led him to spend many years exploring and experiencing other paths of religion and spirituality. In recent years, though, he found that the message, mission, and being of Jesus still played a powerful and transformative role in his life. Since common understandings of the life of Jesus are embedded within a biblical and historical framework, Honig wanted to explore the meaning of Christianity within the framework of our current world. *An Interfaith Christian Theology* is for fellow seekers who are drawn to the being and message of Jesus but can no longer relate to the dissonance between reality and belief that so many churches require. Honig's approach differs from traditional Christian theology in two ways: first

it does not stem from the framework of a specific denomination and second it presents itself as a way of thinking about Christianity rather than the only way After several years as a minister Honig began Jungian analytic training and earned a PhD in psychology at Loyola University Chicago Jung gave Honig the tools he needed to continue his personal search for a life affirming view of Christianity and to assist others in their search for inner truth and healing *Seminary Formation* Katarina Schuth,2016 The past thirty years have witnessed tremendous societal and ecclesial changes that continue to inform ministry education in the 21st century In *Seminary Formation* Katarina Schuth OSF examines the many aspects of theologate level schools including their structures and missions organization and leadership student enrollment backgrounds of both seminarians and lay students and the evolution and development of degree programs including human and spiritual intellectual and pastoral formation *Seminary Formation* also helpfully includes substantial commentaries on Schuth's research by Ronald Rolheiser Thomas Walters Leon M Hutton Barbara Reid and Peter Vaccari An exploration of the changes in seminaries and schools of theology with statistical analysis from 1985 to the present *Seminary Formation* anticipates the challenges ahead and considers new directions for the future
