Looking Beyond
the Raw Numbers

How do you know if you're getting the best of care? It's not always easy to tell. But there are some signs to look for. For example, if you're a patient, you should feel like you're being listened to. And if you're a family member, you should feel like you're being kept in the loop. And if you're a healthcare provider, you should feel like you're being supported. These are all signs that you're getting the best of care. And if you're not seeing these signs, it might be time to look for a new healthcare provider.
