Murderabilia Harold Schechter, 2023-09-26 From veteran true crime master Harold Schechter comes a unique look into the history of crime told through the dark objects left behind The false teeth of a female serial killer from 1908 the cut and paste confession of the Black Dahlia killer the newly cracked cipher of the Zodiac killer the shotgun used in the Clutter family murders which were made famous by Truman Capote's true crime classic *In Cold Blood* these are more than simple artifacts that once belonged to notorious murderers They are objects of fascination to the legion of true crime obsessives around the world And not merely for fleeting dark thrills but because they represent a way to better understand those who we typically label monsters in lieu of learning how they actually became one In *Murderabilia* veteran true crime writer Harold Schechter presents 100 murder related artifacts spanning two centuries 1808-2014 with accompanying stories of various lengths A visual and literary journey it presents a history unlike any previously told in the true crime genre one that speaks to the dark fascination of true crime fans while also presenting a larger historical timeline of how and why we continue to be captivated by the most sensational crimes and killers among us

Rebels on the Great Lakes John Bell, 2011-09-14 In 1863-1864 Confederate naval operations were launched from Canada against America with an unexpected impact on North America's future Since the terrorist attacks of 9/11 a myth has persisted that the hijackers entered the United States from Canada This is completely untrue Nevertheless there was a time during the U.S. Civil War when attacks on America were launched from Canada but the aggressors were mostly fellow Americans engaged in a secessionist struggle Among the attacks were three daring naval commando expeditions against a prisoner of war camp on Johnsons Island in Lake Erie These Confederate operations on the Great Lakes remain largely unknown However some of the people involved did make more indelible marks in history including a future Canadian prime minister a renowned Victorian war correspondent a beloved Catholic poet a notorious presidential assassin and a son of the abolitionist John Brown The improbable events linking these figures constitute a story worth telling and remembering *Rebels on the Great Lakes* offers the first full account of the Confederate naval operations launched from Canada in 1863-64 describing forgotten military actions that ultimately had an unexpected impact on North America's future

The Framing of Harry Gleeson Kieran Fagan, 2015-04-20 In November 1940 the body of Moll McCarthy, an unmarried mother, was found in a field in Tipperary. She had been shot. The man who reported the discovery was neighbour Harry Gleeson. Although Harry had an alibi, he was swiftly convicted and hanged. This travesty of justice suited the parish priest, the Garda, and respectable families whose sons, brothers, and husbands had fathered Moll's seven children. The investigation was hijacked and the defence compromised. Neighbours and friends felt intimidated. Moll's daughter, Mary, approaching death over fifty years later, became upset and said to a nurse, "I saw my own mother shot on the kitchen floor and an innocent man died." Somewhere in the grounds of Mountjoy Jail lies the body of Harry Gleeson, posthumously pardoned by the State in 2015. This is the story of how and why he was framed and who the guilty parties were.

All the Broken Things Elli P Hunt, 2020-08-06 All the Broken Things. Freed from captivity but not from the haunting horror. A year ago, Abi Coltrane's life shattered when she was abducted from home. A psychopath on a killing spree seized Abi. The odds of survival stood against her. Tortured, near death, her spirit broken, Abi fought for her life and the one within her. A team of local authorities led by FBI agents finally rescued her, and the infant girl Abi ached to be reunited with her family. After a recovery period in the hospital, she was home, but the horror followed her home. At home, tension grew between them. Abi had asked Jesse to be the legal father of her daughter.
