Rodney L. Cooper, 2000-06-15 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike The New Testament Devotional Commentary, Volume 1 Bo Giertz, Bror Erickson, 2021-11-16 Bo Giertz was a serious biblical scholar who avoided the ivory tower He studied classics in undergrad before taking up theology in preparation for the ministry In 1930 he spent time on an archeological dig in Palestine and travelled the country with his exegetical professor Anton Fridrichsen who

insisted on Biblical Realism which avoided fundamentalism and yet refused to succumb to higher criticism In these commentaries Bo Giertz takes what he learned from a lifetime of such study and application in in sermons and visits with people to open Scripture to anyone who wants to grow in their faith He never avoids the hard questions concerning the texts and yet tackles them in such a way as to restore confidence in God s word Here he is concerned with what the text meant to those who first wrote it and heard it so he can deliver the same goods to us today **Instant Small Group** Mike

The Ministry of Women in the New Testament Dorothy A. Lee,2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women s ministry is confirmed by the biblical witness Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus with a particular focus on passages that have been used in the past to limit women s ministry She argues that women in the New Testament were not only valued as disciples but also given leadership roles which has implications for the contemporary church **The**

Student's New Testament Compilation ,1928 **Rock Doctrine** Greg Anthony Crawford,2024-07-05 When the Bible refers to Jesus as a cornerstone what was the intended meaning behind this symbolic expression Other literary references to rock and stone pervade the biblical narrative and provide metaphorical value to numerous subjects including God the temple and the eschatological kingdom to name a few Does the use of a common metaphor reveal a theological connection between these various referents Is there a progression of thought upon which each additional use of the metaphor expands This book explores the stone testimonia of Scripture and provides insight into how the connective tissue of the rock metaphor informs the Christology and ecclesiology developed within the New Testament canon Through examining the way in which New Testament authors interact with Old Testament passages this study reveals a more comprehensive way in which to understand Christ and his church in relation to stone imagery *Gospel Interpretation and Christian Life* Francis J

Moloney,2017-11-01 The voice of Francis J Moloney SDB has been heard in New Testament studies for many decades Internationally famous for his work on the Gospel of John this volume gathers studies that demonstrate the breadth and richness of his interests beyond that well established enterprise The first part of the book is dedicated to Gospel studies with the majority of essays focussing upon the Gospel of Mark They reflect his long interest and his major commentary on that

Gospel 2012 Studies on Matthew Luke and John complete these reflections *Where Is the Promise of His Coming?* David L. Mathewson, 2018-10-26 The New Testament contains numerous statements by Jesus and New Testament authors that seem to suggest that Jesus was coming back soon in their lifetime But two thousand years later here we still are How do we handle this apparent failed prophecy Did Jesus and his followers get it wrong Did they miscalculate the timing of Jesus return Or were Jesus and the authors of the New Testament anticipating something else The purpose of this book is to examine this issue by looking in detail at the New Testament texts that seem to promise that Christ is coming back right away It will provide a possible answer to these questions in light of the tension between the promised imminent return of Christ and its delay

New Testament Foundations Ralph P. Martin, Carl N. Toney, 2018-09-12 Drawing upon over fifty years of scholarly experience of one of the most industrious contemporary scholars this work which was first published in 1975 has been revised updated and expanded to offer a fresh in depth introduction to the New Testament for today's students Students will be immersed into the world of the first century learning about both Greco Roman and Jewish backgrounds While discussing the fundamental questions surrounding the content of each book including its authorship audience and message this work also engages with the wider historical critical discussion helping students navigate the wider world of modern New Testament scholarship

Jesus, Disciple of the Kingdom Osvaldo D. Vena, 2014-01-08 That Jesus started his career as a disciple of John the Baptist is an idea that has gained almost universal recognition in the scholarly world His coming from Galilee to be baptized by John in the river Jordan is the most compelling proof of Jesus subordination to John But quickly after John was executed Jesus started his own career not as a disciple anymore but as a teacher in his own right In this book Osvaldo Vena makes the claim that throughout his ministry Jesus remained a disciple not of John but of a higher power God and God's kingdom Thus Jesus called men and women to join him as co-disciples as he went about proclaiming the nearness of the kingdom through word and action In this work Vena contends that in the Gospel of Mark Jesus is presented as a prototype of true and faithful discipleship a model to be followed and imitated by ancient as well as contemporary believers This presentation amounts to an emerging Christology espoused by the early Markan community on the verge of destruction from outside forces specifically the Jewish Roman war as well as internal divisions resulting from struggles for power in the community
