Latinx Perspectives on the New Testament Osvaldo D. Vena, Leticia A. Guardiola-Sáenz, 2022-03-17 Going against the false perception that all Latinx views on the Bible are homogeneous the contributors in this book use different hermeneutic perspectives to interpret the New Testament Each chapter examines one of the twenty seven documents thematically instead of following the traditional verse by verse commentary format Fresh Perspectives on St John Chrysostom as an Exegete .2025-01-27 This volume delves into the multifaceted world of Chrysostom shedding light on his pivotal role as an exegete It explores his cultural background his preferred themes and his enduring influence It introduces the reader to Chrysostom's exegetical workshop his predecessors and successors in biblical interpretation and offers a fresh assessment of his connection to Greco Roman and Syriac contexts Engaging the New Testament Miguel G. Echevarría, 2024-04-16 Many introductions to the New Testament focus on historical critical issues with only cursory discussions of the text In Engaging the New Testament Miguel Echevarr a overviews the New Testament writings in their canonical order showing how each book has a purposeful function within the larger context of Scripture He provides streamlined and accessible background discussions related to the New Testament writings to enable students to focus on interpretive issues The book is informed by the latest scholarship yet accessible to those with no prior theological education This concise introduction to the New Testament is well suited to one semester survey courses It addresses the needs and questions of students in multicultural classrooms who are studying for ministry Sidebars encourage readers to think about applying the Bible to various ministry contexts such as the pastorate missions and counseling The Hermeneutics of Christological Psalmody in Paul Matthew Scott, 2014-05-12 A study of psalms echoed in Paul's letters offering a reinterpretation of the New Testament's reception of the Old Testament The New Heaven and New Earth Raymond R. Hausoul, 2020-04-09 There is a growing focus on the Christian confession of God's completed kingdom the new heaven and the new earth This theme has time and again seduced people into elaborate fantasies that stimulated the senses How can we talk about it meaningfully Raymond R Hausoul relates systematic theology to biblical theology by comparing three theologians the Catholic theologian Karl Rahner the Protestant Jurgen Moltmann and the Reformed Gregory Beale This leads to reflections on differences between matter space and time of the new heaven and new earth and those of our present reality. The hope for renewal and resurrection is thus linked to the prophecies of the new Jerusalem the tree of life and the resurrection body A Thematic **Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
