Spanish recipes for everyday cooking Alfonso López Alonso, More than 100 easy recipes based on Spanish and Mediterranean cuisine for a healthy and diverse diet This book brings together the best dishes from recetasderechupete.com one of the most popular recipe blogs in Spanish This title features 107 easy recipes with step by step instructions colour photos of every recipe and lively personal anecdotes

FOREWORD I could tell you that this is a wonderful book I could also tell you that this book is full of marvelous recipes illustrated with mouthwatering pictures which would make you dream of savoring these dishes one day I could comment on how well explained all the tricks and techniques needed to cook these recipes are I could do all this and I would not be lying But instead I rather talk about the author A guy I liked from the minute I met him He is full of good vibes and has always helped me and other gastro bloggers in every way he could Alfonso is one of

those odd people who likes everyone who does not fit the stereotype of a cautious Galician since he is bold and direct and on top of everything he is no dummy I also deeply admire him for creating one of the best blogs in Spain Recetas de Rechupete You might be thinking that you couldn't care less about all this and that the personal qualities of the author are not necessary when judging the recipes in a cookbook This could be true about a conventional cookbook but never about a blogger's cookbook The main value in any blog is that it is personal no one else could have written it And when it comes to culinary blogs it is important that they reflect the origins experiences tastes and the obsessions of the person that is driving it Both Recetas de Rechupete and the book are 100% Alfonso they ooze earnestness and frankness simplicity closeness but above all the good food enthusiasm put into it by the author I would love to have my own Alfonso preparing all these meals for me enjoying his conversation But since this is impossible at least until the electronic author is invented I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal Mikel Lopez Iturriaga El Comidista Blogger and journalist at elpais.com

New York Magazine, 1973-07-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Among Murderers Sabine Heinlein, 2013-02-12 What is it like for a convicted murderer who has spent decades behind bars to suddenly find himself released into a world he barely recognizes? What is it like to start over from nothing? To answer these questions, Sabine Heinlein followed the everyday lives and emotional struggles of Angel Ramos and his friends Bruce and Adam, three men convicted of some of society's most heinous crimes as they return to the free world. Heinlein spent more than two years at the Castle, a prominent halfway house in West Harlem, shadowing her protagonists as they painstakingly learn how to master their freedom. Having lived most of their lives behind bars, the men struggle to cross the street, choose a dish at a restaurant and withdraw money from an ATM. Her empathetic first person narrative gives a visceral sense of the men's inner lives and of the institutions they encounter on their odyssey to redemption. Heinlein follows the men as they navigate the subway, visit the barber shop, venture on stage, celebrate Halloween and loop through the maze of New York's reentry programs. She asks what constitutes successful rehabilitation and how one faces the guilt and shame of having taken someone's life. With more than 700,000 people being released from prisons each year to a society largely unprepared and unwilling to receive them, this book provides an incomparable perspective on a pressing public policy issue. It offers a poignant view into a rarely seen social setting and into the hearts and minds of three unforgettable individuals who struggle with some of life's harshest challenges. *Jewish Action*, 2001
