

How to write an Extended Response

1. Actively read the question before you do anything else!
 - Underline the subject of the essay and mark it with an S
 - Underline the topics of your body paragraphs and mark them with a T.S.
 - In the Bullets sections, find and mark your points by underlining the key words and putting a ^ near each point.
2. Outline your body paragraphs on the planning page. You will have either 2 or 3 body paragraphs and you could have either 2 or 3 points in each. Since you just actively read your question, you should know exactly what you need to outline.
 - Remember, the extended response is "scaffolded." That means that the details in your graphic organizer and short responses are the details that you build on/use in your essay.
 - Be VERY SPECIFIC! GO BACK to your NOTES or the TEXTS to get specific details! Don't trust your memory.
 - Keep your outline short! Only use 1-4 words per line. Remember, the outline is to guide you in writing your essay. It isn't the essay itself.
 - Spend no more than 10 minutes actively reading the question and outlining.
3. Write your introduction paragraph. Every introduction paragraph has at least four sentences. Think of an introduction as being shaped like an upside down triangle. You start general (wide) and narrow to your point.
 - 1st sentence = GENERAL OPENING STATEMENT (also called the warm up or the motivator). This is where you introduce the SUBJECT of your essay. This should be found in the question, and you should have marked it during active reading.

ALL
 - 2nd sentence = NARROWED STATEMENT this is where you begin to limit your subject so that you can introduce more specific topics.

SOME
 - 3rd sentence = ROADMAP. This is where you explain what the topics of your body paragraphs will be. If you have 2 body paragraphs, then you must introduce 2 topics in your roadmap sentence. If you have 3 body paragraphs, then you must introduce 3 topics in your roadmap sentence. Etc.

THESE 2 or 3
 - 4th sentence = THESIS STATEMENT (also called the CONTROLLING IDEA) This is where you express your opinion that you are going to be writing about. However, NEVER USE 1st PERSON! State your opinion as if it was fact.

OPINION STATED AS FACT

Oaa Writing Extended Response Practice Grade 4

R Bogdan

Oaa Writing Extended Response Practice Grade 4:

The Oxford Handbook of Social Work in Health and Aging Daniel B. Kaplan, Barbara Berkman, 2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance health care and senior services In addition the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume s unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families Office Administration and Automation ,1983 **Construction** ,1908 *Kimball's Dairy Farmer* ,1911 *The Farmer & Stock-breeder* ,1925 **Texas Register** Texas.
