Obama Orwellian Report Neighbors:

Retreat and its Consequences Robert J. Lieber, 2016-05-03 What are the consequences of retreat and retrenchment in foreign policy In recent years America has pulled back from its long time role of international leadership In doing so the Obama administration has sought to conciliate adversaries shown indifference to allies called upon the international community to step in proclaimed and then disavowed red lines and preferred to lead from behind in the face of catastrophic civil war in Syria ISIS barbarism in the Middle East and North Africa Russia's predatory behavior in Eastern Europe and China's muscle flexing in East Asia The consequences of this realist experiment have been costly and painful and it has caused the US to lose credibility with friends and foes America retains the capacity to lead but unless it resumes a more robust role the world is likely to become a more dangerous place with mounting threats not only to regional stability and international order but to the national interests of America itself *America* Dinesh D'Souza, 2014-06-02 1 New York Times Bestseller Is America a source of pride as Americans have long held or shame as Progressives allege Beneath an innocent exterior are our lives complicit in a national project of theft expropriation oppression and murder or is America still the hope of the world Dinesh D Souza says these questions are no mere academic exercise It is the Progressive view that is taught in our schools that is preached by Hollywood and that shapes the policies of the Obama administration If America is a force for inequality and injustice in the world its power deserves to be diminished if traditional America is based on oppression and theft then traditional America must be reformed and the federal government can do the reforming In America Imagine a World without Her D Souza offers a passionate and sharply reasoned defense of America knocking down every important accusation made by Progressives against our country Provocative in its analysis stunning in its conclusions Dinesh D Souza's America is a new classic Vox Populi Roger Kimball, 2017-11-28 The rise of populist movements across the political spectrum poses a vital question what role should populism play in modern democracy In ten trenchant essays the writers of The New Criterion examine the perils and promises of populism in Vox Populi a new collection that marks the thirty fifth anniversary of this critical journal Beginning with a reflection on the problems of populism for American conservatism George H Nash the essays expound broadly and deeply on populist unrest the populist revolts of ancient Rome Barry Strauss the rise of popular referenda and the Brexit vote Daniel Hannan American populism and the legacy of H L Mencken Fred Siegel populism and the Founders generation James Piereson populism and identity Roger Scruton populism around the world Andrew C McCarthy the birth of a new American populist movement Victor Davis Hanson and populism's historical impact on the American party system Conrad Black The book concludes with a discussion of the struggle to keep government in the hands of a free people Roger Kimball Just what perils and promises are found in populist ferment may be the question of our age Taken together these ten essays consider the voice of the people in the light of history in a collection that only The New Criterion could assemble **Grading the 44th President** Luigi Esposito, Laura L. Finley, 2012-04-13 How has Barack

Obama done in his first term as a progressive president especially in relation to his campaign assertions This book analyzes the performance of Obama and his administration in promoting progressive causes in a wide range of policy areas including the economy education immigration healthcare reform criminal justice and foreign affairs Grading the 44th President A Report Card on Barack Obama s First Term as a Progressive Leader is written in clear language that is free of jargon and from a leftist perspective offering a comprehensive analysis and critique of Obama s performance as a progressive president during his first term The authors provide in depth analyses with respect to Obama s handling of specific issues including the economy education healthcare criminal justice policy the environment immigration Iraq and Afghanistan race relations gender issues and gay lesbian issues covering topics in detail that general biographies of Obama and examinations of his political career miss This book presents clear accessible information for general readers and contains in depth discussion of topics useful to high school college and university students of sociology government political science philosophy and history

Big Brother Mark Dice,2011-01-21 In Big Brother The Orwellian Nightmare Come True Mark Dice details actual NSA high tech spy systems mind reading machines secret government projects and emerging artificial intelligence programs that seem as if they came right out of George Orwell s novel Nineteen Eighty Four Orwell s famous book was first published in 1949 and tells the story of a nightmarish future where citizens have lost all privacy and are continuously monitored by the omniscient Big Brother surveillance system which keeps them obedient to a totalitarian government The novel is eerily prophetic as many of the fictional systems of surveillance described have now become a reality Mark Dice shows you the scary documentation that Big Brother is watching you and is more powerful than you could imagine The National Security Agency Facial Recognition Scanners Mind Reading Machines Neural Interfaces Psychotronic Weapons Orwellian Government Programs The Nanny State Orwellian Weapons Artificial Intelligence Cybernetic Organisms A Closer Look at 1984 Our Social Structure The Control of Information Perpetual State of War The Personification of the Party Telescreens A Snitch Culture Relationships in Shambles A Heartless Society Foreign Countries Painted as Enemies Power Hungry Officials An Erosion of the Language Double Think And More By the author of The Illuminati Facts Fiction **Romans: Three Exegetical**

Interpretations and the History of Reception Daniel Patte,2018-07-26 In the first of a three volume work Daniel Patte presents three very different critical exegeses of Romans 1 arguing that all are equally legitimate and hermeneutically plausible By expanding upon and respecting the exegeses of many erudite scholars of the last two centuries Patte concludes that three families of vastly different critical interpretations are fully justified traditional philological and epistolary studies rhetorical and sociocultural studies and figurative studies of the coherence of Paul s teaching Arising from a long standing interdisciplinary investigation of many receptions of Romans in light of recent diversification of exegetical methodologies Patte concludes that the interpretation of a scriptural text necessarily involves making a choice among equally legitimate and plausible alternatives and second that this choice is always contextual and ethical When these points are denied by failing to

respect the interpretations of others and absolutizing one's interpretation instead of being a scriptural blessing Romans becomes a deadly weapon against others heretics Jews Shoah and many others The result is a threefold commentary of Romans 1 that is unique in its scope and thorough going exegesis **Cyberspace, Cybersecurity, and Cybercrime** Janine Kremling, Amanda M. Sharp Parker, 2017-09-05 Presented from a criminal justice perspective Cyberspace Cybersecurity and Cybercrime introduces students to the interdisciplinary field of cybercrime by exploring the theoretical practical and legal framework it operates under along with strategies to combat it Authors Janine Kremling and Amanda M Sharp Parker provide a straightforward overview of cybercrime cyberthreats and the vulnerabilities individuals businesses and governments face everyday in a digital environment Highlighting the latest empirical research findings and challenges that cybercrime and cybersecurity pose for those working in the field of criminal justice this book exposes critical issues related to privacy terrorism hacktivism the dark web and much more Focusing on the past present and future impact of cybercrime and cybersecurity it details how criminal justice professionals can be prepared to confront the changing nature of cybercrime

A Perilous Path Anne R. Pierce, 2016-07-05 Exposing the moral and strategic deficits of the Obama Clinton and Kerry approach to world affairs A Perilous Path takes a close look at American history while at the same time providing fresh thought provoking analysis It calls for renewal of the best American foreign policy traditions which emphasize peace through strength and human rights Anne R Pierce tells the fascinating story of Obama administration foreign policy and illustrates its disturbing consequences She shows that President Obama and his Secretaries of State expended more effort in improving relations with dictatorships than in strengthening ties with democracies or encouraging ideas of freedom With meticulous research Pierce documents the administration's decisions and discusses its worldview She reveals vital information regarding Hillary Clinton's tenure as Secretary of State providing a cautionary account of what we can expect from a Clinton presidency Whoever becomes president A Perilous Path offers a moral and strategic compass for both policymakers and the public

Issues and Controversies in Policing Today Johnny Nhan, 2025-03-18 Issues and Controversies in Policing Today by Johnny Nhan is a thought provoking exploration of today's policing challenges It delves into contemporary topics ranging from police misconduct and racial profiling to LGBTQ officers and policing technologies These topics are grounded in theory research and practice This second edition features two new chapters covering 1 the critical shortage of police officers and 2 the conflict and tensions between street cops and management cops Since the first edition the author has undergone the police academy and became a reserve police officer This new and unique perspective going from academic to practitioner adds depth bringing firsthand experience to the discussion and throughout this text Whether you are a student practitioner or curious reader the second edition of Issues and Controversies in Policing Today offers valuable insights into the evolving landscape of law enforcement *Capitalism, Hegemony and Violence in the Age of Drones* Norman Pollack, 2017-12-12 This book offers a critical analysis of the rise of the US to global hegemony against a background of increased erosion of

democracy and rule of law and a rising linear pattern of near absolute capitalist development The author argues that the significant shrinkage of the ideological spectrum globally as a result of worrisome levels of business and government interpenetration has created a dangerous prefascist configuration whereby unthinkable levels of violence have been normalized through the use of technologies such as drones increasingly condoned even by liberal groups and the so called political left Using the example of the Obama administration and its increased reliance on drone assassinations the volume makes a case for the dangers that lie in today s unique convergence of lack of transparency in government business government interpenetration informal social regimentation and militarization of capitalism
