Arlene Cameron never wanted kids yet she gave birth to four Who does that The government handing out checks per child must have made those labor pains a little easier She was a Christian woman who treated her children like the enemy Could attempted murder abuse neglect and mental illness all happen in one family Why yes yes it could Because in Arlenes family thats exactly what happened However when she found Jesus for real she decided she needed to make things right with them But it was too late They hated her Well not Jesus just the kids She wanted a family reunion with children who didnt feel they had a family She would have to create one in order to reunite it Her youngest ran away at seventeen never to return Her only son just wants to know who he is Her oldest wants answers and her prized child has a secret that everyone knows but her Pain caused by jealousy deceit and betrayal had torn them apart and the one person who could bring them back together is missing It is known that there is a time for everything Arlene had already used up her time to tear down and to kill when she destroyed her family Now however delusional it might be shes hoping it will be a time to build up and a time to heal
