

A person in a spacesuit is sitting on a dark, metallic ledge on the left side of the frame. They are looking out over a vast, hazy landscape of rolling hills and mountains under a large, pale, spherical celestial body in the sky. The entire scene is bathed in a soft, blue light. The text "OBLIVION'S WAKE" is centered in the middle of the image in a white, serif font.

OBLIVION'S WAKE

Oblivion S Wake

Sir William Hamilton

Oblivion S Wake:

The Oblivions of The Cosmos Cometan, Gomedan, 2019-11-23 The Oblivions of The Cosmos is the thirtieth instalment in the Little Blue Book Series and comprises of the forty eighth discourse of the Monodoxy which is itself the first disquisition of the Omnidox, the founding book of Astronism. A haunting single discourse publication constituting over 250 insentations. The Oblivions of The Cosmos investigates one of the most ominous and chaotic progenies in The Cosmos, black holes. To introduce the discipline of cosmontology known as obliology, this discourse examines all aspects and possibilities regarding the nature, form, purpose, eventualities and physicalities of black holes with implicit connections to the beliefs of Astronism, particularly regarding the tradition of mystery surrounding black holes in Astronist philosophy and religion. The Little Blue Book Series was created and first published by Cometan himself as a way to simplify and commercialise the immensity of the two million word length of the Omnidox into smaller, more bite-size publications. A successful series from its very first published entry, the Little Blue Book Series has gone on to become a symbol of Astronist commercial literature and a way for Cometan's words to reach readers of all ages and abilities who remain daunted by the beauty and yet the sheer extensiveness of the Omnidox as the longest religious text in history.

A Road to Recovery Dan H., 2021-07-29 This book will help you learn how to recover from your addiction and it won't fail if you follow its process. It will also lead those to an answer that are unsure if they have a problem. I will help you step by step throughout this book so you can learn recovery and change your life. The things needed are some effort and a willingness to change. So stop wishing for a miracle because you have it in your hands.

The Seven Moons of Maali Almeida Shehan Karunatilaka, 2022-09-26 WINNER OF THE 2022 BOOKER PRIZE. A searing satire set amid the murderous mayhem of Sri Lanka beset by civil war. Colombo 1990. Maali Almeida, war photographer, gambler and closet gay, has woken up dead in what seems like a celestial visa office. His dismembered body is sinking in the Beira Lake and he has no idea who killed him. At a time when scores are settled by death squads, suicide bombers and hired goons, the list of suspects is depressingly long, as the ghouls and ghosts who cluster around him can attest. But even in the afterlife, time is running out for Maali. He has seven moons to try and contact the man and woman he loves most and lead them to a hidden cache of photos that will rock Sri Lanka. Ten years after his prizewinning novel *Chinaman* established him as one of Sri Lanka's foremost authors, Karunatilaka is back with a rip-roaring epic full of mordant wit and disturbing truths.

Illuminati Bible of Divine Light: Part two Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies but also of aphorisms, I initially published the book entitled Bible of the Light and then a more complete form of the book. Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light. Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014, the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts. Simple. Firstly

because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn t I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin

DAVID'S CHILDHOOD IS MISSING When David Glass was fifteen ERIN struck nearly a million people worldwide The virus gradually destroyed all memories formed before infection Eight journals written when he was diagnosed are all the orphaned David has of his youth They shaped him as he started a new life Twenty years later he has turned the side effects of his memory loss into a career in perceptual engineering He built a loving family but still has a burning need to remember the idyllic childhood his younger self wrote about When a treatment is developed that can restore his memories he leaps at the chance He doesn't know his journals are fiction He doesn't know his younger self was a psychopath Eric Voegelin's Dialogue with the Postmoderns Eric Voegelin, 2004 This collection of essays endeavors to generate a dialogue between Eric Voegelin and other prominent twentieth century thinkers and explore some of the more perplexing issues in contemporary political theory Each essay rests on the underlying question is it possible or desirable to construct or discover political foundations without resorting to metaphysical or essentialist constructs The introduction focuses on the two nineteenth century thinkers Nietzsche and Husserl who have framed the debate about modernity and postmodernity thereafter the book examines Voegelin's ideas as compared to those of other twentieth century thinkers Discussed within the volume are Levinas and the precedence of ethics Ricoeur's theory of narrative representation Deleuze and the philosophy of immanence Voegelin's relationship to a speech dimension theory of human behavior and Patocka's theory of pre metaphysical transcendence in Socrates What will impress scholars most about this collection is the provocative dialogue created between Voegelin and other major thinkers of postmodernism that addresses the issue of establishing foundations without foundationalism
