Oceans Joel Houston:

Oceans Joel Houston, Matt Crocker, Salomon Ligthelm, 2017-03-28 *Oceans Coloring Book* will feature one of the most popular worship songs in recent history Hillsong's *Oceans* which is still on Billboard's list of Hot Christian Music after 130 weeks. Combined with the popularity of adult coloring books this is sure to bring hours of enjoyment and reflection for readers. **Ocean of Love, or Sea of Troubles?** Geoffrey Harris, 2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles. The subtitle clarifies this paradox first there are many signs of God's reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life. The signs of God are not philosophical proofs but empirical realities accessible to all people. In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments. In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives.

Exploring Sexuality and Spirituality, 2020-10-20 The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today. *Exploring Sexuality and Spirituality* introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment. This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others. Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge.

Whole Life Worship Sam Hargreaves, Sara Hargreaves, 2017-03-28 For worship leaders looking to deepen their calling or anyone looking for a new way to praise God. Take worship beyond the music with this book that lays the groundwork for a new way to see worship not as a lyric but as a lifestyle. *Whole Life Worship* is an empowering read and filled with a hearth to transform whole lives by shifting our limiting mindset of worship being restricted to one day. A continuation of the LICC series begun by Neil Hudson's *Imagine Church* *Whole Life Worship* will demonstrate that the contemporary Western Church has reached a point where our gathered worship is separated from our scattered lives outside of church. This is detrimental to the congregation's spiritual development and their effectiveness on their frontlines. Church worship should be inspired and informed by our everyday experiences. It should empower and send the congregation out to continue worshipping. The book will provide patterns and resources to better connect gathered worship with the lives of the congregation beyond church meetings. The book will unpack a biblical grounding for both gathered and scattered worship. It will then identify patterns within our gathered services which help us re-make these connections. It will provide practical

resources such as songs prayers and activities which can help churches connect Sunday to the rest of the week It will draw examples and stories from other church streams and traditions to demonstrate how different kinds of Christian spirituality engage worshipfully with everyday life In the second half of the book is a practical resource looking specifically at different aspects of a gathered service and how each one can have an outward dimension Dancers and Wayfarers Chris
