The Book of Plenary Phil Beadle, 2013-08-26 You paint an outside wall It rains What happens to the paint It runs off of course So it is with our students We teach them something We can't be bothered to do the recap the plenary as we don't have any ideas They leave the lesson They promptly forget what you have taught them There was no point their being in the lesson in the first place The world continues turning This practical little book of plenaries does what it says It delivers a series of simple ideas for how to make your lesson endings or mid lesson recaps interesting engaging and cognitively challenging Apply the ideas in this book and your students will leave the lesson with the information you have taught them still in their heads
