Plaisirs Du Week End:

, Une nouvelle aventure de Jeanjean d'Aups: Le voleur de mémoire Jean-Marie LEFEVRE, 2014 Au moment o les avanc es scientifiques vont se joindre la chirurgie pour apporter leur lot de bonnes et mauvaises surprises Jeanjean et son ami Romain vont respectivement voir appara tre dans leurs existences deux tres extraordinaires Pour l un ce sera un animal dangereux et pour l autre un surdou g nial Alors apr s avoir jou l apprenti sorcier qui sauvera qui L'écriture du bonheur dans le roman contemporain Ruth Amar, 2011-01-18 Through the ages the pursuit of Happiness has been at the heart of the needs and desires each individual would seek to fulfill while as a concept Happiness has always resonated strongly in poetic as well as philosophical sociological and psychological contexts But what about Happiness today in a world dominated by technology driven by productivity and dictated by efficiency Does Happiness still feature in contemporary fiction in any significant way Or has it perhaps gone underground adopting different guises Would we still call that duty of happiness that Pascal Bruckner saw as present at the second half of the twentieth century a relevant force today Or has it waned perceptibly The articles brought together in this volume seek to work out answers to these and similar questions creatively addressing the imminent risks but also eagerly following up the intriguing possibilities one encounters when interrogating Happiness in the contemporary novel Originally based on an international conference organized at the University of Haifa Israel in May 2010 the volume is structured around the axes we found useful as a basis for the various approaches towards Happiness in Europe and the historical and social events that influenced the writing of Happiness as they defined the 20th century and have impacted on the 21st the Holocaust the Soviet dystopia consumerism postmodernism everyday life the various as yet unarticulated new modes of life they have given rise to and so on A new writing of happiness then At the very least this volume targets the contemporary novel without wanting to solidify works instead taking into account the fluctuations Happiness has been subjected to and the diversity and especially the paradoxes it has created while we have been keen to preserve a precise reading of the texts and have felt compelled to respect and preserve the particular features that make the writings of the authors we focus on stand out Th me philosophique aussi bien que po tique sociologique et psychologique le bonheur s difie la mesure de chacun N est il pas vrai que nous autres hommes nous d siroons tous tre heureux Platon Or dans notre monde actuel domin par la technique la recherche outrance du productif et de l efficacit qu en est il du bonheur Est il encore pr sent aux critiques romanesques contemporaines Sous quelles formes se pr senterait sa recherche Ce devoir de bonheur propre la deuxi me moiti du XXe si cle dont parle Pascal Bruckner continue t il toujours tre d actualit S est il renforc ou au contraire s est il affaibli Le projet d un questionnement du bonheur dans le roman contemporain comportait de gros risques mais il offrait en m me temps des possibilit s stimulantes A la suite du colloque international organis l universit de Ha fa en mai 2010 les textes r unis dans ce livre cherchent laborer des l ments de r ponse ces questions Le volume offre un tat des lieux du bonheur dans le roman depuis 1980 et pr sente une large diversit d approches de d finitions d interrogations sur

l critique du bonheur sur trois d'années Le recueil s'articule autour d'axes qui ont servi de base aux différentes approches du bonheur en Europe et d'événements historiques et sociaux qui ont pu influencer la critique du bonheur aux différentes périodes du XXe et XXIe siècles telles que l'Holocauste la dystopie en Russie le postmodernisme et le consumérisme le quotidien les différents paradoxes du bonheur les nouveaux modes de vie Nouvelle critique du bonheur Du moins ce volume vise-t-il le contemporain sans figer les œuvres tout en tenant compte des fluctuations du sujet de sa diversité de ses paradoxes surtout tout en conservant la lecture précise des textes et en respectant la particularité de la critique des auteurs trait s

The End Richard John Neupert, 1995 Given the importance that spectators grant to the final moments of a motion picture it is surprising to find so little written on how films end and how audiences interpret those closing moments This study investigates endings in film and the lively role they play in how and why viewers make sense of movies Relying upon contemporary literary criticism and film theory the author analyses narrative strategies in films ranging from the classical Hollywood motion picture to the more modern European art cinema To assist readers in understanding the various functions of endings the films are divided into four critical categories the Closed Text film typical of classical works the Open Story films the Open Discourse film and the Open Text film which struggles to defy story resolution Detailed textual analysis of sample films reveal how all of the devices of filmic narration from mise en scene to soundtracks direct a viewer's perception comprehension and interpretation of closure in films Among the sample films that are featured as test cases for studying endings are The Quiet Man Ford 1950 The 400 Blows Truffaut 1959 Weekend Godard 1967 Tout va bien Godard 1972 and Earth Dovzhenko 1930 To round out his informative study of endings in films Neupert also examines a host of diverse titles including Do the Right Thing Lee 1989 Open City Rossellini 1945 and The Graduate Nichols 1967
