Real Marriage Book Tour:

Christians Under Covers Kelsy Burke, 2016-02-09 *Christians under Covers* shifts how scholars and popular media talk about religious conservatives and sex. In an ethnography drawn from Christian sexuality websites Kelsy Burke examines how some evangelical Christians use digital media to promote the idea that God wants married heterosexual couples to have satisfying sex lives. These evangelicals maintain their religious beliefs while incorporating feminist and queer language into their talk of sexuality encouraging sexual knowledge emphasizing women's pleasure and justifying marginal sexual practices within Christian marriages. This book complicates boundaries between normal and subversive empowered and oppressed and sacred and profane. Provided by publisher

Biblical Porn Jessica Johnson, 2018-04-19 Between 1996 and 2014 Mark Driscoll's Mars Hill Church multiplied from its base in Seattle into fifteen facilities spread across five states with 13 000 attendees. When it closed the church was beset by scandal with former attendees testifying to spiritual abuse emotional manipulation and financial exploitation. In *Biblical Porn* Jessica Johnson examines how Mars Hill's congregants became entangled in processes of religious conviction. Johnson shows how they were affectively recruited into sexualized and militarized dynamics of power through the mobilization of what she calls biblical porn the affective labor of communicating promoting and embodying Driscoll's teaching on biblical masculinity femininity and sexuality which simultaneously worked as a marketing strategy social imaginary and biopolitical instrument. Johnson theorizes religious conviction as a social process through which Mars Hill's congregants circulated and amplified feelings of hope joy shame and paranoia as affective value that the church capitalized on to grow at all costs

DR. BABASAHEB AMBEDKAR WRITINGS AND SPEECHES VOL. 1 book review, 2023-08-13 Dr Ambedkar's thoughts as reflected in his writings and speeches have significant importance in tracing the history and growth of social thought in India. In the course of time so many of his publications are not even available in the market. In some cases the authentic editions are getting out of print. Besides as time passes many of his observations in matters social economic and political are coming true. Social tensions and caste conflicts are continuously on the increase. Dr Ambedkar's thoughts have therefore assumed more relevance today. If his solutions and remedies on various socioeconomic problems are understood and followed it may help us to steer through the present turmoil and guide us for the future. It was therefore very apt on the part of the Government of Maharashtra to have appointed an Advisory Committee to compile all the material available on Dr

Ambedkar for publishing the same in a suitable form All efforts are therefore being made to collect what the learned Doctor wrote and spoke In the present volume besides Castes in India Annihilation of Caste his address on Justice Ranade Federation versus Freedom and other publications some of his articles not easily available such as Small Holdings in India Review on Russell s book etc have also been included *The News Letter* Young Men's Hebrew Association (Kansas City, Mo.),1929 **The Westminster Review** ,1856 **London and Westminster Review** ,1856 The Oxford Handbook of Family Policy Over the Life Course Mary Daly,Birgit Pfau-Effinger,Neil Gilbert,Douglas J.
