Reasons Why Sarah Palin Should Be President English Edition:

Discourse, Politics and Women as Global Leaders John Wilson, Diana Boxer, 2015-10-15 Discourse Politics and Women as Global Leaders focuses on the discourse practices of women in global political leadership. It provides a series of discursive studies of women in positions of political leadership. Political leadership is defined as achieving a senior position within a political organization and will often indicate a senior role in government or opposition. The volume draws on a diverse collection of studies from across the globe reflecting a variety of cultures and distinct polities. The primary aim is to consider in what way s discursive practice underpins reflects or is appropriated in terms of women s political success and achievements within politics. The chapters employ differing theoretical approaches all bound by the discursive insights they provide and in terms of their contribution to understanding the role of language and discourse in the construction of gendered identities within political contexts. *Framing Sarah Palin* Linda Beail, Rhonda Kinney Longworth, 2013 Sarah Palin s 2008 vice presidential candidacy garnered tremendous levels of interest polarizing the American public both Democrats and Republicans alike. While many have wondered who she really is trying to cut through the persona she projects and the one projected by the media, Beail and Longworth analyze why she touches such a nerve with the American electorate. Why does she ignite such passionate loyalty and such loathing? How did her candidacy mobilize new parts of the electorate? Using the notion of framing as a way of understanding political perception, the authors analyze the narratives told by and about Sarah Palin in the 2008 election from beauty queen maverick faithful fundamentalist and post feminist role model to pit bull hockey mom frontier woman and political outsider. They discuss where those frames are rooted historically in popular and political culture, why they were selected, and the ways that the frames resonated with the electorate. *Framing Sarah Palin* addresses the question of what the choice and perception of these frames tells us about the state of American politics and about the status of American women in politics in particular. What do the debates engendered by these images of Palin say about the current roles and power available to women in American society? What are the implications of her experience for future candidates, particularly women candidates in American politics? [LOL at the GOP - Volume 7: Obstruction of Conscience](#) Craig Rozniecki, 2018-02-07 The always witty satirist Craig Rozniecki is at it again with his seventh installment of the LOL at the GOP series. In it, he writes about Rick Perry s forgetful wisdom, Sarah Palin s literal family feud, Se or Jeb Bush, why it s inconceivable for many conservatives to label themselves as Constitutional, how Donald Trump would write Hallmark cards, a state senator who thinks butts and vaginas are the same thing, and so much more. So sit back, relax, and let laughter guide you in LOL at the GOP Volume 7: Obstruction of Conscience. *The Palin Effect* Shana Pearlman, 2012-02-16 A US presidential election is quite simply the greatest show on Earth. In the battle to occupy the most important seat in the world in which power can be bought and sold, forces on either side hoodwink the public and claim their political victims. Witness the age of the Palin Effect. An extraordinary exposé of the political depravities and media proliferated inequalities of the entire

electoral process The Palin Effect sheds light on an ugly phase of American politics hell bent on slander and spurious belittling Revealing an increasingly greedy war based on class sex and money former Fox News and BBC journalist Shana Pearlman looks at what motivates the protagonists in the electoral circus the media the people the money the candidates themselves and wonders how free this star spangled land really is

No Excuses Gloria Feldt,2010-09-28 An invaluable guidebook which contends that the most vexing problems facing women today isn't that doors of opportunity aren't open but that not enough women are walking through them Feminist icon Gloria Feldt pulls no punches in this new book which argues that the most confounding problem facing women today isn't that doors of opportunity aren't open but that not enough women are walking through them From the boardroom to the bedroom public office to personal relationships she asserts that nobody is keeping women from parity except themselves Feldt puts women's power into an historical context showing the ways in which women have made huge leaps forward in the past only to pull back right when they were at the threshold Feldt argues that there's no excuse whether it's the way women are socialized or pressure to conform or work life balance issues for women today not to own their power Women are still facing unequal pay being passed over for promotions entering public office at a much lesser rate than men and oftentimes still struggling with traditional power dynamics in their interpersonal relationships Feldt's solution to all these places where women face inequality is the same we need to shift the way we think to achieve true parity with our male counterparts No Excuses is divided into nine chapters that organized around how women can change the way they think and therefore the way they act These include Know Your History and You Can Create the Future of Your Choice Define the Terms First Embrace Controversy Employ Every Medium and other helpful ideas for using the tools and resources women already have to create the changes they want to see No Excuses is a timely and invaluable book to help women equalize gender power in politics work and love

Conservative's Book of Proverbs, Parables, and Prophecies Gregory Graham,2016-01-14 To liberals A Conservative s Book of Proverbs Parables and Prophecies is a book filled with hundreds of micro aggressions What a liberal calls a micro aggression a conservative calls good old fashioned horse sense The author will use this horse sense to answer many of the unanswerable questions that has plagued the great philosophers of liberal history Questions like What is the meaning of life and what is the purpose for living Is there life after death Does God exist If so why would a God of love create death Is God political If so is he a liberal or a conservative What is the Kingdom of God Is it a paradise on earth or is it in Heaven What is the mark of God the mark of man and the mark of the beast Will there ever be peace on earth If so how will it come If the Gospel is good news why is so much Bible prophecy bad news These and other deep questions will be answered in this book But the main purpose of this book is to give conservatives a hope in a bright future And a faith to weather the liberal storm that will come before that bright future comes A Conservative s Book of Proverbs Parables and Prophecies will give the average Joe some insights on how to take on the liberal propaganda machine If that average Joe can take on the demonizing liberal propaganda machine then maybe the leadership of the Republican Party will have the courage to do the same America needs the leadership of conservative average Joes to lead us out of our liberal funk If America will repent of its liberal sins then God will bless America again *Outlook* ,2008-09-15 **The Lies of Sarah Palin** Geoffrey Dunn,2025-09-23 In *The Lies of Sarah Palin* Geoffrey Dunn provides the first full scale and in depth political biography of the controversial Republican vice presidential candidate and former governor of Alaska Based on more than two hundred interviews many of them with Republican colleagues and one time political allies of Palin s and more than forty thousand pages of uncovered documents Dunn chronicles Palin s troubling penchant for duplicity in grim detail from her dysfunctional childhood in Wasilla through her contentious run for mayor and her failed governorship of Alaska He also provides the shocking inside story of her betrayal of running mate John McCain during the 2008 presidential campaign and her self serving resignation as governor in July of the following year Dunn deftly places Palin in the American tradition of right wing demagogues from Huey Long to Joe McCarthy and details her troubling obsession with Barack Obama as it fuels her own political ambitions and a potential run for the presidency in 2012 *The Lies of Sarah Palin* is a journalistic tour de force that vividly reveals the Queen of the Tea Party movement as a vengeful and manipulative empress without clothes This is the definitive book on Sarah Palin

Metamorphosis Wayne T. Hudson,2010 Whether you are a confirmed Republican Independent or Democrat *Metamorphosis* will inspire you to consider you political stance and how it affects your effectiveness for the kingdom of God Author Wayne T Hudson Sr shares his personal journey in changing political parties and provide you with the tools you need to carefully and prayerfully approach future elections **Irrepressible Conflict: The Cause of the American Civil War**

Stanley M. Harmon,2014-04 The Civil War resulted from the insistence of Southern firebrands that the 1820 restrictions on where slavery could be practiced in the Western territories of the USA be removed and the dogged determination of some Northerners to restrict the brutal treatment of blacks and finally put slavery on the road to extinction In the 1850 s big shoes dropped one after another in staccato fashion to dash such hopes the final straws were the Dred Scott Decision in 1857 saying blacks weren t even people and Congress had no power to restrict slavery anywhere and Civil War was going on in bleeding Kansas between adherents of the two stances John Brown was radicalized there by the sacking of Abolitionist stronghold Lawrence He and his sons killed some Jayhawkers slavery adherents from Missouri Then Brown his sons and a few others lit a fuse in Oct 1859 by a hare brained scheme to seize the Federal arsenal at Harpers Ferry to arm slaves and precipitate action to free them So when Lincoln was elected in 1860 the South bolted As they had threatened for 15 years America was almost destroyed Until July 4 1863 when two Union victories insured that these honored dead 800 000 shall not have died in vain Abraham Lincoln Gettysburg Pa Nov 1863

Common Nonsense Kabembo Chinku,2012-09-28 Its almost a universal phenomenon Nobody knows when how and why it started but society somehow allows their political leaders to get away with nearly anything up to and including murder at least in many countries in Asia Eastern Europe Africa and Central and South America Here in these United States of America no one is suggesting at least not me that our political leaders are guilty of committing murders To the extent that anybody can accuse them of such its their enacting of lax gun laws at the behest of the NRA Thanks to these laws anyone applying for a permit to buy an automatic assault weapon is no more subjected to rigorous background check than they are buying candy By this and this alone U S politicians are partly to blame in the deaths of innocent people Anyway this book is not about murders or guns In a way though its about death the death of reason and sense in politics Its about some insidious behavior that politicians get away with Society itself is to blame for tacitly permitting politicians to engage in such a behavior So here in the United States as is the case everywhere politicians get away with too much Corruption lying or showing a disdain for facts being lazy stealing and cheating on their spouses We also allow them to make promises that they cant possibly keep or never keeping promises that they can easily keep We have put the bar for tolerable behaviors or conduct expected of our leaders very low We have reached a stage where the moral code of our politicians is on par with if not worse than that of criminals Well this author decided to draw a line a red line if you want to be dramatic on dumbassness or rather on the dumb things that the people we look up to in society especially our political leaders say They can get away with lying being corrupt etc but they will not be let off so easily for saying things that are decidedly dumb Just as Iran will hear from Israel and the U S if its nuclear or as George W Bush would say nuclear ambitions crosses Israeli Prime Minister Benjamin Netanyahus somewhat arbitrary red line politicians here will hear from me if and when they cross my own arbitrarily laid dumbassness red line Like most citizens Ill tolerate barely such maladapted behaviors of our politicians as corruption cheating infidelity lying not keeping campaign promises etc but not dumbassness

This is what this book is about This authors blood boils when he hears these stupid politicians like Indianas U S Senate candidate Richard Mourdock say such things as A woman being raped and conceiving as a result is in Gods grand scheme of things That is God wanted it that way and therefore that the victim shouldnt be allowed to terminate such a pregnancy Unlike most books this is not one long continuous story One need not necessarily start reading from page one or chapter one successively to the last One can jump around or even begin with the last chapter Every chapter is a stand alone chapter There is no continuity to worry about if you decide to read the book in a sort of haphazard manner Youre going to encounter unbelievable dumbassness of our politicians on every page Politicians and other leaders of society may get away with having the morals and ethics of alley cats but Ill be damned if Ill let them get away with the immaturity of pre adolescents and the dumbassness of a jackass This is my *raison detre* or if you want to be religious about it its my calling Let me add that had my sense of self preservation not been so heightened Id have moved to Russia to take on Emperor Vladimir Putin But I dont like having Polonium 210 as part of my diet Thank you and enjoy Kabembo Chinku Sarah Palin Michael V. Uschan,2011-10-03 This volume traces the life of divisive political figure Sarah Palin and relates her childhood in rural Alaska her interest in basketball and journalism as a teen and young adult her devotion to her family and her faith and her unusual entrance into politics The focus is on Palin s role as a controversial figure as well as her ability to ignite conservative supporters through her charisma and fiery speeches Topics covered include the 2008 vice presidential campaign Troopergate the Tea Party Movement and Palin s association with the 2011 Arizona shooting of U S Representative Gabrielle Giffords

"Unmitigated Disaster" Louis D. Cruz,2012-10 A story of America is moving forward And NOW that word forward happens to be the slogan of the very man that Republican Willard Mitt Romney is trying to unseat America the Party of NO has a man who will insist to see your ID Birth Certificate but won t release his Tax Returns at the least 5 6 of them so the voting electorate will know how to trust him There are many perfectly legal ways for all weasels to get out of paying taxes Especially if you can afford armies of creative accountants to find them all In our own Country s Congressional Leaders there is Nothing but shameless lies and dishonor That explains what s going on here If election in November is to be decided on the several issues Robme the Romney and Ryan the Lying along with the remaining hostile Republicans should stay away from foreign policy this next four years Even drifting into that realm risks reminding voters of Obama s clear advantage in leadership America Bush has been out of office for almost 4 years are YOU really going to continue to blame him This is what the Republicans are saying Honestly if that s were the blame lies absolutely It wouldn t matter even if it s been 100 200 or 300 years since George W the Idiot Bush has been out of office there will STILL remain too many unanswered questions

Sarah Palin Rendezvous with Liberty Mark Nusbaum,2009-11 Chronicling Governor Palin s life Mark Nusbaum reveals the real Sarah Palin amidst the political turmoil unfolding around her Congressional Record United States. Women and the White House Justin S. Vaughn, Lilly J. Goren, 2012-11-30 As the first female vice president takes office this volume explores gender perceptions and the executive role An important impressive book Lane Crothers author of *Globalization and American Popular Culture* The president of the United States has traditionally served as a symbol of power virtue ability dominance popularity and patriarchy In recent years however a number of high profile female candidacies have provoked new interest in gendered popular culture and how it influences Americans perceptions of the country's highest political office In this timely volume editors Justin S. Vaughn and Lilly J. Goren lead a team of scholars in examining how the president and the first lady exist as a function of public expectations and cultural gender roles The authors investigate how the candidates messages are conveyed altered and interpreted in hard and soft media forums from the nightly news to daytime talk shows and from tabloids to the blogosphere They also address the portrayal of the presidency in film and television productions such as 1964's *Kisses for My President* and 2005's *Commander in Chief* With its strong multidisciplinary approach *Women and the White House* commences a wider discussion about the growing possibility of a female president in the United States the ways in which popular perceptions of gender will impact her leadership and the cultural challenges she will face

The Fictional Female Presidency in Film, Television, and Literature Kathleen W. Taylor Kollman, 2025-11-13 This book examines the ways in which popular culture has entertained the notion of a female U.S. presidency through portrayals in film television and literature dating back to the 1930s To date no woman has served as Commander in Chief in the White House This lack of precedent however has not deterred the continued exploration of this idea in U.S. popular culture for decades In this book Kathleen W. Taylor Kollman analyzes fictionalized portrayals of female U.S. Presidents across a variety of media spanning both genre and time period to demonstrate how the perceptions of audiences and content creators have shifted when considering the idea of a woman's ability to run the United States She then contextualizes each example by positioning it alongside real life women in politics to examine the accuracy of existing portrayals when compared to the media framing of aspiring political candidates By analyzing works diverse in genre including science fiction dystopias slapstick comedies political dramas satire and romance novels Kollman also explores the ways in which genre can also play a critical factor in the framing of these women with regard to both subject matter and approach Scholars interested in parasocial relationships the history of feminist movements the intersection of political and media audiences and popular media trends will find this book particularly compelling
