

A man with short dark hair and a light beard is sitting on a wooden bridge railing. He is wearing a dark blue button-down shirt and dark pants. The background shows a body of water, green trees, and a white railing with black lanterns. A quote is overlaid on the left side of the image.

"Using this technology, some forms of blindness may be curable, including macular degeneration and Stargardt disease, a currently untreatable form of eye disease that causes blindness in teenagers and young adults."
