

DOUBLE BLIND DOUBLE CROSS

Robert M. Reece, MD

Robert M Reece Book

Robert Reece

Robert M Reece Book:

Strong Medicine Robert Reece, 2020-08-31 In a novel that could have been pulled from today's headlines Dr Tom Barrett respected surgeon and returning war veteran discovers the rules as set by the pharmaceutical industry They're dangerously effective skyrocketing prices misleading advertising manipulation of health care professionals rigged research and the suppression of competition Unscrupulous executives deploy them with a single objective spike earnings by ensuring that medicines are scarce for patients whose survival depends on them Barrett's answer is to assemble a team of specialists to take on the predators He creates PharmaTruth a group of motivated flesh and blood characters In chapters that take readers behind the scenes of the industry they face real life tight budgets as they set out to battle cynical big pharma executives who've long ago crossed the line from greedy to criminal *Strong Medicine* Dr Robert Reece's third novel is a high stakes game where big pharma is determined to crush PharmaTruth's assault on their domain even as Tom and his team struggle to set things right

Double Blind Double Cross Robert Reece, 2017-07-31 When trauma surgeon Dr Tom Barrett returns from military duty in the Middle East War he is stricken with flashbacks terrifying nightmares and tremors He learns his old friend and surgical colleague Akira Yamaguchi is conducting a clinical trial of a potential breakthrough drug that could erase bad memories in post traumatic stress disorder PTSD victims Book cover

The Lewellyns from Vincennes Robert Reece, 2022-09-17 The story of a twentieth century family whose lives are buffeted by personal losses two world wars the Great Depression family tragedies and triumphs The distant drumbeat of world events punctuates the fast moving narrative Jack the patriarch and his wife Sarah rear three children whose destinies are shaped by Jack's own failed aspirations and Sarah's steady determination and faith Based on a true story and told by Jack's twin brother Cyrus its tapestry is woven with invention of scenes and fictionalized dialogue It is ultimately a story of redemption and resilience

To Tell the Truth Robert M Reece, 2024-11-15 Testifying as an expert in emotionally laden child abuse cases is no easy task Dr Reece a retired Clinical Professor of Pediatrics has taught medical students residents and colleagues nationally and internationally about the diagnosis and management of child abuse cases for over forty years He crafted this book *To Tell the Truth* to illustrate countervailing arguments that jurors may hear in cases of abusive head trauma He hopes this will enable the reader to distinguish between fact and fiction in testimony A compelling story addressing an issue familiar to physicians who care for children but important to all of us A baby dies and the question of a sad natural death weighed against a homicide and who caused the death becomes a quagmire of truth and lies inherent in the justice system assigned to determine guilt or innocence Characters reflect personal attitudes and emotions creating glimpses into their humanity as the baby's case winds its way through an all too real courtroom drama The narrative of witnesses in the courtroom and tactics of attorneys brings the reader face to face with a startling reality sometimes criminal cases are influenced by more than the truth the whole truth and nothing but the truth Robert W Block MD FAAP Professor Emeritus Pediatrics The University of Oklahoma School

of Community Medicine Past president American Academy of Pediatrics Social Work in the 21st Century Morley D. Glicken,2010-12-08 A student friendly introduction to the field of social work social welfare and the profession of social work social issues and social welfare Designed to get students excited about the profession and thinking critically about what social workers do and how they operate within the larger system this Second Edition explores social issues in the United States looks at how the social welfare system attempts to resolve these issues and considers the many roles assumed by professional social workers within the social welfare system This edition offers new and revised coverage throughout and reflects recent current events including the historic 2008 presidential election catastrophes such as Hurricane Katrina and the Haiti earthquake and government responses Child Protection in America John E.B. Myers,2024-10-11 Child abuse and neglect are tragically common Each year more than 1 000 American children die due to maltreatment Thousands more suffer physical abuse sexual abuse and neglect Across the country every community has a system of government operated and funded child protective services CPS But given that social workers of CPS have the authority to remove children from unsafe parents it is no surprise that CPS is controversial Does CPS protect children Does CPS do more good than harm Is CPS fundamentally racist as some critics argue Should CPS be abolished To answer these questions it is essential to understand the origins of child protection in America How did we arrive at the child protection system in place today This book traces the history of child protection from colonial times to the present and provides the most in depth analysis ever published of the origins of child protection **Learning from Resilient People** Morley D. Glicken,2006-05-03 Resilience is a human trait that is key to understanding how people successfully cope with crisis and trauma This book explains the inner self healing processes of resilient people and helps people training in the helping professions to learn to use these processes in working with their clients **Current Catalog** National Library of Medicine (U.S.),1992-10 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), The Shaken Baby Syndrome Vincent J. Palusci,Stephen Lazoritz,2002-02-07 Diagnose and treat shaken baby syndrome with advice from experts in the field When an angry adult shakes a baby the child may suffer brain damage broken ribs deafness mental retardation cerebral palsy coma or death Often there are personal ethical and legal consequences as well for everyone involved The Shaken Baby Syndrome A *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office Library of Congress.* Copyright Office,1940 **Child Abuse and Neglect** Marilyn Strachan Peterson,Michael Durfee,Kevin Coulter,2003 This book written for multidisciplinary child protection teams and presents guidelines for identification assessment and case management on various forms of child maltreatment **The Limits of Forgiveness** Maria Mayo,2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the

work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely

Beating the Devil Out of Them Valerie Bentz, 2017-07-28 Based on his studies of over 9 000 families Murray A Straus the foremost researcher on family violence in the world discusses the extent to which parents in the United States use corporal punishment such as spanking and slapping and its effects on their children The question of whether corporal punishment is an effective method of discipline is hotly debated Straus contends that this believed to be minor form of physical violence is precursor to much violence that plagues our world Children who are spanked quickly learn that love and violence can go hand in hand Since spanking is generally done by loving caring parents for the child's own good a child can learn that hitting is morally right Straus describes what he has learned through two decades of research children who are spanked are from two to six times more likely to be physically aggressive to become juvenile delinquents and later as adults to use physical violence against their spouses to have sadomasochistic tendencies and to suffer from depression Straus alerts parents to these risks and argues that spanking adversely affects not only the children who are subjected to it but society as a whole This groundbreaking book now available in paperback with a substantive new introduction and new concluding chapter is essential reading for parents as well as teachers lawyers and judges Professionals in fields such as social work child protection delinquency and criminology psychology and politics will find it of critical importance

What Happened to Christopher Ann-Janine Morey, 1998 Examines the trial of Gary Lynn Gould convicted in 1995 for the shaking death of nineteen month old Christopher Attig featuring interviews with the child's parents and grandparents as well as officials involved in the case and provides information about Shaken Baby Syndrome

When Caregivers Kill Betty L. Alt, Sandra K. Wells, 2010-04-16 From mothers who kill their children in postpartum fugues to fathers who murder their kids for revenge against an estranged wife the stories in this book are chilling yet real and bring home the message that children are vulnerable to violence even in the care of those who should love and protect them the most Sadly child murder by parents and caregivers happens more frequently than one might guess and while each case is different there are often warning signs that something might be amiss Signs of physical abuse may precede the ultimate act of murder A mother's mental state after the birth of a child may signal true distress and the potential for extreme actions No one can predict with certainty when a parent or other caregiver may snap but here Alt and Wells examine many cases of child murder to find out what they have in common how we might prevent such violence and what more we can do to protect children in potentially explosive situations

Myers on Evidence in Child, Domestic, and Elder Abuse Cases John E. B. Myers, 2005-01-01 Investigating and litigating cases of interpersonal violence is difficult With child and elder abuse the

vulnerability of the victim makes the work emotionally as well as legally taxing With domestic violence the tendency of some victims to **British Books in Print** ,1986 *Clark's Boston Blue Book* ,1917
