Robert W D Ball Book:

Mauser Military Rifles of the World Robert W.D. Ball,2011-08-02 More Models More Photos More History Robert Ball the world s foremost authority on Mauser military rifles continues to scour the continents in search of more details and models of this ubiquitous rifle His years of research and expertise culminate in this definitive full color Mauser reference In this new edition you ll find Previously unknown variations Rare coverage of experimental weapons and prototypes Meticulously cataloged descriptions historical backgrounds model specifics and markings and detailed photographs One of a kind this edition is the most exhaustive reference ever for Mauser military rifles **Roy Rogers** Robert W.

Phillips,1995-05-01 This is the definitive work on Roy Rogers the King of the Cowboys The lives and careers of Rogers and his wife Dale Evans are thoroughly covered particularly their work on radio and television The merchandising history of Roy Rogers reveals that his marketing of character related products was second only to that of Walt Disney Roy Rogers memorabilia are still among the most popular items Includes a comprehensive discography filmography and comicography Heavily illustrated *Old House Interiors* ,2002-02 National architectural magazine now in its fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays archival material events and exhibitions and book reviews round out the editorial Many readers claim the beautiful advertising all of it design related no lifestyle ads is as important to them as the articles **From Under Iron Eyelids**

Thomas K. Tate,2005-05-11 Contrary to popular belief the Minie ball was not used by either side during America s Civil War Instead infantry soldiers fired the Harpers Ferry bullet a hollow based cylindro conical bullet designed by acting master armorer James Henry Burton His reward was to be driven from his position by partisan politics and into the lap of Great Britain where he helped to establish the Royal Small Arms Factory at Enfield Based heavily on Burton s own papers this book explains the problems and solutions to the armory production of small arms A complete inventory of machine tools used to manufacture the Springfield rifled musket is listed in an appendix along with details and diagrams of three patents awarded to Burton *The Cumulative Book Index* ,1900 A world list of books in the English language **The M1 Garand** Leroy

Thompson,2012-05-20 The M1 Garand gave the US infantryman a marked edge during World War II It shot faster and further than enemy infantry rifles and hit harder No less an authority on killing the enemy than General George S Patton called the Garand The greatest battle implement ever devised At a time when opposing forces were armed with bolt action rifles US troops had a highly reliable self loader The eight round clips which were used to load the M1 Garand were however viewed with mixed emotions by the troops on the ground Some Army and Marine Corps troops allegedly felt that the distinctive

twang as the Garand's clip was ejected when empty alerted the enemy that the soldiers were reloading and resulted in an attack. But the Garand became the defining mankiller of the war despite its weight and magazine problems and many US combat veterans consider it one of the key reasons they survived the war. Whitaker's Books in Print, 1998 **Weapons and Warfare** Spencer C. Tucker, 2020-03-26 This work covers major weapons throughout human history beginning with clubs and maces through crossbows, swords, and gunpowder up to the hypersonic railgun, lasers, and robotic weapons under development today. **Weapons and Warfare** is designed to provide students with a comprehensive and highly informative overview of weapons and their impact on the course of human history. In addition to providing basic factual information, this encyclopedia will delve into the greater historical context and significance of each weapon. The chronological organization by time period will enable readers to fully understand the evolution of weapons throughout history. The work begins with a foreword by a top scholar and a detailed introductory essay by the editor that provides an illuminating historical overview of weapons. It then offers entries on more than 650 individual weapons systems. Each entry has sources for further reading. The weapons are presented alphabetically within six time periods ranging from the prehistoric and ancient periods to the contemporary period. Each period has its own introduction that treats the major trends occurring in that era. In addition, 50 sidebars offer fascinating facts on various weapons. Numerous illustrations throughout the text are also included.

Firepower Paul Lockhart, 2021-10-19 The fascinating Wall Street Journal story of how military technology has transformed the world. The history of warfare cannot be fully understood without considering the technology of killing. In **Firepower**, acclaimed historian Paul Lockhart tells the story of the evolution of weaponry and how it transformed not only the conduct of warfare but also the very structure of power in the West from the Renaissance to the dawn of the atomic era. Across this period, improvements in firepower shaped the evolving art of war. For centuries, weaponry had remained simple enough that any state could equip a respectable army. That all changed around 1870 when the cost of investing in increasingly complicated technology soon meant that only a handful of great powers could afford to manufacture advanced weaponry while other countries fell behind. Going beyond the battlefield, **Firepower** ultimately reveals how changes in weapons technology reshaped human history. **American Book Publishing Record Cumulative 1998** R. R. Bowker Publishing, 1999-03

Gazeteer [!] of Utah and Salt Lake City Directory, 1874 Edward Lenox Sloan, 1874 **Propaganda Postcards of World War II** Ron Menchine, 2000 Here's World War II as it has never been seen before. The propaganda of the war years reflects the mood of the nations involved. The stories behind propaganda postcards are fascinating bits of history often overlooked in textbooks. These are the real thing showing how the Axis and Allies demonized their enemies and glorified their heroes. More than 300 postcards from over 20 nations and Menchine's incisive commentary provide a provocative glimpse into the emotional climate of the peoples affected by the war, whether they were on the battlefield or on the production line. **Book Chat** William George Jordan, Adr Schade van Westrum, 1890 *The Index ...* Benjamin

Franklin Underwood, 1882 Sports and Freedom Ronald A. Smith, 1990-12-27 Perhaps more than any other two colleges Harvard and Yale gave form to American intercollegiate athletics a form that was inspired by the Oxford Cambridge rivalry overseas and that was imitated by colleges and universities throughout the United States Focusing on the influence of these prestigious eastern institutions this fascinating study traces the origins and development of intercollegiate athletics in America from the mid nineteenth century to the early twentieth century Smith begins with an historical overview of intercollegiate athletics and details the evolution of individual sports crew baseball track and field and especially football Then skillfully setting various sports events in their broader social and cultural contexts Smith goes on to discuss many important issues that are still relevant today student faculty competition for institutional athletic control the impact of the professional coach on big time athletics the false concept of amateurism in college athletics and controversies over eligibility rules He also reveals how the debates over brutality and ethics created the need for a central organizing body the National Collegiate Athletic Association which still runs college sports today Sprinkled throughout with spicy sports anecdotes from the Thanksgiving Day Princeton Yale football game that drew record crowds in the 1890s to a meeting with President Theodore Roosevelt on football violence this lively in depth investigation will appeal to serious sports buffs as well as to anyone interested in American social and cultural history *Index to Loudoun County, Virginia Land Deed Books, 2V-3D, 1817-1822* Patricia B. Duncan, 2009-05-01 Information recorded between January 1817 and March 1822 includes names of parties involved date of transaction names of adjoining neighbors and witnesses and location and description of the property Entries are listed in original page order Full name index D3555HB 31 50 *Bibliography of Nautical Books* Alan Obin, 2000-02 This is the 15th annual edition of the Bibliography of Nautical Books a reference guide to over 14 000 nautical publications It deals specifically with the year 2000 **Eyes on the Sporting Scene, 1870-1930** Pamela A. Bakker, 2013-03-04 Helms Hall of Fame s brothers William M and Andrew B June Rankin lived exciting lives covering sports for papers like the New York Sunday Mercury New York Herald New York World Brooklyn Daily Eagle and New York Clipper from 1870 to 1930 Playing for amateur and semiprofessional Rockland County N Y clubs in the mid 1860s through early 1870s the brothers developed into baseball writers and editors Often working with Henry Chadwick called the Father of Baseball the brothers became authorities on the sport writing histories of clubs and players and scoring for the early New York and Brooklyn clubs June went on to cover boxing as it transitioned into a gentlemen s sport football as it emerged on college campuses and golf through the formative years of the USGA and PGA He also wrote two baseball books Filled with sporting details this book sets the brothers into a period of great changes in the world of American sports **Specimens of Early English: From Robert of Gloucester to Gower. A. D. 1298-A. D. 1393. A new ed., rev. for the second time. 1879** Richard Morris, Walter William Skeat, 1879 *Publishers' circular and booksellers' record* , 1896
