Fra Lippo Lippi Margaret Vere Farrington,2013-11 An excerpt Always my thoughts will be of her I love replied Lippi tenderly Remember and he drew her attention to a road in the plain below that led in the direction of Prato remember you my love that early morning when we first came to Florence and he smiled as he knew how to both it was as yesterday Ten years ago Eh these days that go all too fast Beloved and he drew her closer to him with his arm about her before I knew you I knew not myself I loved the wild whirl of passion that which had no bounds Only of myself I thought the enjoyment of the hour With you how changed this world Happy the day the hour when at Santa Margharita s I knew your love Think you and he kissed her as he smiled think you the Pope s dispensation will make you more mine own No no And never for one moment would you listen to what Beatrice Speak not of her said Lippi quickly know you not my heart s love the trust which I have ever had in you Dio and he spoke with flashing eyes how I loathe her hate her how the very thought of her stings me to the heart s core Never never would I have believed her treacherous He would have continued but Filippino came running towards them his hands full of flowers See see he cried gleefully and threw them into his mother s lap as he scampered away for more It is the color that he loves so Lippi said fondly as they watched the child upon the hill side He too will be a painter Each day he surprises me yet the more He will be greater than his father and Lippi laughed heartily he must have what I lack and he inherits that from his mother s nature Lucrezia this is a dawn of a wonderful spirit we shall live to see great painters There is a youth in Perugia a gentle lad like Filippino who loved to stand and gaze while I painted and he would copy as I drew One day I gave him the brush and colors to use and my eyes could hardly believe the luminous color and sentimental grace of the little picture he made Then there is Tommasio s son who makes dainty fragments into all manner of delicate garlands for gay ladies they already call him Ghirlandajo It is a picture to see him in his dark shop piercing and twisting the gold and silver filigree and great ladies in their sweeping gowns and exquisite laces and jewels patting his round cheeks and praising him But Filippino and they fell to building the little air castles for the future
