Rois Et Princes En:

, *Les traductions françaises du De regimine principum de Gilles de Rome* Noëlle-Laetitia Perret, 2011-05-23 This book deals with the different translations into Old French of Giles of Rome's *De regimine principum* dedicated to Philippe le Bel around 1279 and their readership First hand manuscript research has permitted us to understand not only the general context of their production but also the social conditions of their transmission and circulation This work concentrates on different aspects of the reception of Giles of Rome's pedagogical ideas by his translators who are by no means passive in this process This book provides not only a concrete idea of what Giles of Rome's educational ideas became when mediated for the consumption of a lay public but also how the translators in their translations supported the transmission of re appropriated knowledge Journal of American Folklore ,1926 Les Mémoires historiques de la Répub.
