community resilience and social capital in tourism The 4th ISOT 2020 aimed at 1 bringing together scientists researchers practitioners professionals and students in a scientific forum and 2 having discussions on theoretical and practical knowledge about current issues in tourism The keynote speakers contributing to this conference are those with expertise in tourism either in an academic or industrial context

Identity and Intercultural Exchange in Travel and Tourism Anthony David Barker, 2014-10-14 This book looks at the relationship between questions of identity formation and modern practices in travelling and tourism Unprecedented levels of mobility and international exchange over the last 100 years have raised questions about the stability of national and personal identities and new and creative patterns of behaviour and self realisation are now emerging due to the enormous commercial interests that lie behind the modern travel and tourism industries The volume will consider these issues and the challenges they create in various geographical contexts Germany Spain Romania Italy Africa and concludes with a number of case studies from the Portuguese context where the revenues from tourism are integral to its economy and a lifeline in the current economic crisis

Positive Tourism Sebastian Filep, Jennifer Laing, Mihaly Csikszentmihalyi, 2016-10-04 Tourism affects millions of individuals numerous societies and environments in multiple nuanced and overlapping ways While it can be viewed as a frivolous leisure pursuit or simply a large industry with potentially destructive impacts it might also be understood in terms of its effects on human fulfilment the good life and greater well being This book calls for positive tourism principally grounded in theories from positive psychology the study of what makes life worth living and the development of a body of knowledge that explains what characterises optimal tourist experiences what enables host communities to flourish and what encourages workers in tourism to thrive Through original research studies reported in this international volume we aim to further develop this knowledge The intersections between ongoing and traditionally inspired applications of psychology in tourism and this new thrust in psychological inquiry promise to refresh and challenge tourism research This book will appeal to researchers and academics in tourism leisure positive psychology management and related fields as well as graduate students professionals and policy makers

The Routledge Companion to Tour Guiding Shailja Sharma, 2025-08-29 This comprehensive handbook offers an in depth exploration of both the theoretical and practical dimensions of tour guiding as a profession It provides readers with valuable insights into examining the key and dynamic role of tour guides in the tourism industry and the evolving expectations of modern travelers Enriched with global case studies spanning a diverse range of niche tours offered as tourism products around the world the book highlights emerging trends and the importance of continuous skill development in the profession It covers topics such as pre tour preparations the art of effectively opening and closing tours engaging narration at attractions the importance of technology for tour guides and the nuances of managing diverse groups Additionally it delves into the growing practice of virtual tour guiding and offers practical guidance on addressing guest inquiries managing grievances and handling emergencies besides addressing the new emerging trends in the field of tour

guiding This companion is designed for students and educators in tourism travel and hospitality management programs worldwide It serves as a valuable training manual for national regional and local tourism authorities as well as tour operators and travel agencies Furthermore both seasoned professionals and aspiring tour guides will find it an essential reference to refine their skills and stay updated with contemporary best practices *Handbook of Service Experience* Per Kristensson, Lars Witell, Mohamed Zaki, 2025-02-12 This prescient Handbook adopts an overarching perspective on service experiences in business contexts Incorporating up to date research and empirical case studies chapters focus on customer experience design innovation and management in the digital era *Tourism, Heritage and National Culture in Java* Heidi Dahles, 2013-10-11 Based on anthropological fieldwork in the 1990s this book provides an ethnographic perspective in its examination of the politics and policies of cultural tourism as they were played out under the Indonesian New Order regime The successful New Order tourism policy ensured that tourism development both contributed to and benefited from increasing economic prosperity and a long stretch of political stability However that success has come at a price the policy to encourage mainly high quality tourism revolved around carefully constructed and controlled tourist experiences that have led to local inequalities The failure of this policy is analysed in a detailed case study of the city of Yogyakarta *Quality Assurance and Certification in Ecotourism* Rosemary Black, Alice Crabtree, 2007 Genuine ecotourism can have many positive impacts particularly the conservation of biodiversity and cultural heritage and the creation of economic opportunities for local communities While promoting these it aims to eliminate negative impacts such as environmental degradation cultural commoditisation and playground effects Unfortunately the concept is broadly misunderstood and its true definition is widely debated It is often used as a marketing tool with some operators taking advantage of the ecotourism label to attract more business while behaving in environmentally irresponsible ways This book considers the important topic of quality control and accreditation in ecotourism describing the mechanisms that can be implemented to ensure quality in all aspects of the industry namely protected areas businesses products and tour guides **Cases on Tour Guide Practices for Alternative Tourism** Yildirim, Gulsun, Ozbek, Ozlem, Kilinc, Ceyhun Caglar, Tarinc, Abdullah, 2020-06-19 Tour guides a highly responsible group of professionals who are in direct communication with tourists traveling around the world have a great impact on the proper promotion of the culture of countries global peace and tolerance Additionally they are also effective in the preservation of world natural heritage Thus the educational status of tour guides as well as the characteristics and ethical values that they should possess need to be examined on an international scale In today's world where tourism demand is directed towards all types of tourism practices in special interest tourism should be customized in order to ensure the highest level of service quality and cultural appreciation *Cases on Tour Guide Practices for Alternative Tourism* provides emerging research exploring the theoretical and practical aspects of the occupational issues that surround tour guides and their applications within international tourism Featuring coverage on a broad range of topics such as cultural education

specialized learning and international business this book is ideally designed for tour guides travel agencies tour managers tour developers heritage sites museums academicians researchers students industry experts and hospitality professionals

Demystifying Theories in Tourism Research Kelly Bricker,Holly Donohoe,2015-12-04 It often seems that there is more confusion than consensus regarding tourism theory Does tourism have theories it can truly own or does it just borrow from other academic disciplines It can be difficult to understand the theories and conceptual frameworks available and how to apply these ideas to a research endeavour This book reviews theoretical perspectives on tourism from planning and management through marketing and host communities to the tourism consumers themselves Covering issues such as tour guiding rural tourism development and destination image it provides a complete guide to the industry Including pedagogical features throughout this book is an accessible approach to a controversial subject Interpretation and Tour Leadership Nimit Chowdhary,Monika Prakash,2022-06-27 A complete manual to tour guiding based on the author s first hand experience of training more than 3000 tour guides Packed with real life international case studies each chapter follows a thorough pedagogic structure with features such as training objectives key terms theory highlights assignments further reading and links to videos
