Welcome to the Rolling Rains Report

Trying times call for trying something new!

People are asking, *"Does it really have to be this uncomfortable to travel?"* .

The travel & hospitality industry is sensing the spark of something new as people answer, *"No, and we plan to do something about it."*

Fresh thinkers are testing countless breakthrough ideas on accessible travel. They are rubbing ingenuity against continuity to enkindle a new flame.

At *Rolling Rains* we monitor that brush fire as it reveals ideas that are standing the test of the times.

In particular we search out examples of how **Universal Design** creates new travel opportunities and products that are, to quote the definition of Universal Design, *usable by the widest range of people operating in the widest range of situations.*

Explore as an idea whose time.

The concept of **Inclusive Travel** is itself traveling around the world. It is leaving an infrastructure that will allow the pleasure of world discovery to generations to come. It enables generations present to do so through all stages of their lifespan. That's the vision of Universal Design applied to tourism — **Inclusive Tourism**.

Follow the journey of Inclusive Tourism here at *RollingRains.com*

Rolling Rains Report March Archives:

Guide to Federal Records in the National Archives of the United States: Record groups 171-515 United States. National Archives and Records Administration, 1995 **American Dissidents** Kathlyn Gay, 2011-12-12 Anarchists civil rights advocates dissidents and political pundits have all played key roles in shaping our nation Examining modern day individuals like WikiLeaks Bradley Manning and conservative video prankster James O Keefe as well as those of prior decades like Cesar Chavez this book profiles controversial figures across history The two volume American Dissidents An Encyclopedia of Activists Subversives and Prisoners of Conscience is a work that is as interesting as it is important spotlighting men and women who are heroes to some outlaws and villains to others The 150 individuals profiled in this encyclopedia represent diverse ethnic racial and religious backgrounds as well as various movements and ideologies They are authors anarchists civil rights advocates communists entertainers environmentalists government officials labor organizers libertarians military personnel pacifists political activists from the left and right religious leaders and suffragettes all of whom have labored to change the social economic and political landscapes of the United States Each of the profiles of 2 000 words or more offers not only biographical data but also information to help readers place the individuals within the context of events that surrounded and influenced their activities Because objectivity is a key consideration of the work entries include both praise and criticism *Never for Want of Powder* C. L. Bragg, 2007 Lavishly illustrated with seventy four color plates and fifty black and white photographs and drawings *Never for Want of Powder* tells the story of a world class munitions factory constructed by the Confederacy in 1861 the only large scale permanent building project undertaken by a government often characterized as lacking modern industrial values In this comprehensive examination of the powder works five scholars a historian physicist curator architectural historian and biographer bring their combined expertise to the task of chronicling gunpowder production during the Civil War In doing so they make a major contribution to understanding the history of wartime technology and Confederate ingenuity Early in the war President Jefferson Davis realized the Confederacy's need to supply its own gunpowder Accordingly Davis selected Col George Washington Rains to build a gunpowder factory An engineer and West Point graduate Rains relied primarily on a written pamphlet rather than on practical experience in building the powder mill yet he succeeded in designing a model of efficiency and safety He sited the facilities at Augusta Georgia because of the city's central location canal transportation access to water power railroad facilities and relative security from attack As much a story of people as of machinery *Never for Want of Powder* recounts the ingenuity of the individuals involved with the project A cadre of talented subordinates including Frederick Wright C Shaler Smith William Pendleton and Isadore P Girardey assisted Rains to a degree not previously appreciated by historians This volume also documents the coordinated outflow of gunpowder and ammunition and Rains's difficulty in preparing for the defense of Augusta Today a lone chimney along the Savannah River stands as the only reminder of the munitions facility that

once occupied that site With its detailed reproductions of architectural and mechanical schematics and its expansive vista on the Confederacy Never for Want of Powder restores the Augusta Powder Works to its rightful place in American lore

Report on Canadian Archives Public Archives of Canada,1890 *Report of the Work of the Public Archives* Public Archives Canada,Public Archives of Canada,1890 Appendix 42 in the report of the minister of agriculture for 1874 consists of a Report of proceedings connected with Canadian archives in Europe by H A J B Verreau **Report on Canadian Archives and on the System of Keeping Public Records** Public Archives of Canada,1890 *Report of the Work of the Public Archives* ... Public Archives of Canada,1890 **Fire and Rain** David Browne,2012-07-24 Set against a backdrop of world

changing historical and political events Fire and Rain tells the extraordinary story of one pivotal year in the lives and music of four legendary artists and reveals how these artists and their songs both shaped and reflected their times Drawing on interviews rare recordings and newly discovered documents acclaimed journalist David Browne allows us to see and to hear the elusive moment when the 60s became the 70s in a completely fresh way Mark Harris author of Pictures at a Revolution

Yeomen, Sharecroppers, and Socialists Kyle G. Wilkison,2008-10-28 As the nineteenth century ended in Hunt County Texas a way of life was dying The tightly knit fiercely independent society of the yeomen farmers plain folk as historians have often dubbed them was being swallowed up by the rising tide of a rapidly changing cotton based economy A social network based on family religion and community was falling prey to crippling debt and resulting loss of land ownership For many of the rural people of Hunt County and similar places it seemed like the end of the world In Yeomen Sharecroppers and Socialists historian Kyle G Wilkison analyzes the patterns of plain folk life and the changes that occurred during the critical four decades spanning the end of the nineteenth and the beginning of the twentieth centuries Political protest evolved in the wake of the devastating losses experienced by the poor rural majority and Wilkison carefully explores the interplay of religion and politics as Greenbackers Populists and Socialists vied for the support of the dispossessed tenant farmers and

sharecroppers With its richly drawn contextualization and analysis of the causes and effects of the epochal shifts in plain folk society Kyle G Wilkison s Yeomen Sharecroppers and Socialists will reward students and scholars in economic regional and agricultural history **How Was It Possible?** Peter Hayes,2015-04 As the Holocaust passes out of living memory future generations will no longer come face to face with Holocaust survivors But the lessons of that terrible period in history are too important to let slip past How Was It Possible edited and introduced by Peter Hayes provides teachers and students with a comprehensive resource about the Nazi persecution of Jews Deliberately resisting the reflexive urge to dismiss the topic as too horrible to be understood intellectually or emotionally the anthology sets out to provide answers to questions that may otherwise defy comprehension This anthology is organized around key issues of the Holocaust from the historical context for antisemitism to the impediments to escaping Nazi Germany and from the logistics of the death camps and the carrying out of genocide to the subsequent struggles of the displaced survivors in the aftermath Prepared in cooperation with the Jewish

Foundation for the Righteous this anthology includes contributions from such luminaries as Jean Anel Saul Friedlander Tony Judt Alan Kraut Primo Levi Robert Proctor Richard Rhodes Timothy Snyder and Susan Zuccotti Taken together the selections make the ineffable fathomable and demystify the barbarism underlying the tragedy inviting readers to learn precisely how the Holocaust was in fact possible The Waterloo Archive Gareth Glover,2025-08-05 So much has been written on the subject of the Battle of Waterloo and the campaign that surrounds it that the reader might think that there is simply nothing new to tell However the archives of Europe are teeming with fascinating documents personal letters to family and friends private journals and official reports that have been virtually ignored in many standard histories of the period In the ground breaking Waterloo Archive series Gareth Glover has set out to unearth this buried material and to finally expose it to public scrutiny In doing so he brings the human aspect of war and military campaigning to the fore the humor and exhilaration the fears and miseries the starvation and exhaustion the horror and the joy He also provides an invaluable new source which will challenge preconceptions disprove theories destroy myths and allow for a complete re evaluation of many key aspects of the campaign In this sixth and final volume in the series published to coincide with the two hundredth anniversary of the campaign Glover has again turned his attention to the British sources **Massachusetts Soldiers and Sailors of the Revolutionary War** Massachusetts. Office of the Secretary of State,1902 Prince and the Purple Rain Era Studio Sessions Duane Tudahl,2018-11-15 Featuring groundbreaking never before heard stories Duane Tudahl pulls back the paisley curtain to reveal the untold story of Prince s rise from cult favorite to the biggest rock star on the planet His journey is meticulously documented through detailed accounts of his time secluded behind the doors of the recording studio as well as his days on tour With unprecedented access to the musicians singers and studio engineers who knew Prince best including members of the Revolution and the Time Duane Tudahl weaves an intimate saga of an eccentric genius and the people and events who helped shape the groundbreaking music he created From Sunset Sound Studios daily recording logs and the Warner Bros vault of information Tudahl uncovers hidden truths about the origins of songs such as Purple Rain When Doves Cry and Raspberry Beret and also reveals never before published details about Prince s unreleased outtakes This definitive chronicle of Prince s creative brilliance during 1983 and 1984 provides a new experience of the Purple Rain album as an integral part of Prince s life and the lives of those closest to him *Congressional Record* United States. Congress,1948 *Serving with Honor* Eathan Allen Pinnell,1999 Brothers and Sisters Alan Paul,2023-07-25 THE INSTANT NEW YORK TIMES BESTSELLER New York Times bestselling author Alan Paul s in depth narrative look at the Allman Brothers most successful album and a portrait of an era in rock and roll and American history The Allman Brothers Band s Brothers and Sisters was not only the band s bestselling album at over seven million copies sold but it was also a powerfully influential release both musically and culturally one whose influence continues to be profoundly felt Celebrating the album s fiftieth anniversary Brothers and Sisters the book delves into the making of the album while also presenting a broader cultural

history of the era based on first person interviews historical documents and in depth research Brothers and Sisters traces the making of the template shaping record alongside the stories of how the Allman Brothers came to the rescue of a flailing Jimmy Carter presidential campaign and helped get the former governor of Georgia elected president how Gregg Allman s marriage to Cher was an early harbinger of an emerging celebrity media culture and how the band s success led to internal fissures The book also examines the Allman Brothers relationship with the Grateful Dead including the most in depth reporting ever on the Summer Jam at Watkins Glen the largest rock festival ever and describes how they inspired bands like Lynyrd Skynyrd helping create the southern rock genre With exclusive access to hundreds of hours of never before heard interviews with every major player including Dickey Betts and Gregg Allman conducted by Allman Brothers Band archivist photographer and Tour Mystic Kirk West Brothers and Sisters is an honest assessment of the band s career history and highs and lows

Hard Rain Alessandro Portelli,2022-05-17 Bob Dylan s iconic 1962 song A Hard Rain s A Gonna Fall stands at the crossroads of musical and literary traditions A visionary warning of impending apocalypse it sets symbolist imagery within a structure that recalls a centuries old form Written at the height of the 1960s folk music revival amid the ferment of political activism the song strongly resembles and at the same time reimagines a traditional European ballad sung from Scotland to Italy known in the English speaking world as Lord Randal Alessandro Portelli explores the power and resonance of A Hard Rain s A Gonna Fall considering the meanings of history and memory in folk cultures and in Dylan s work He examines how the ballad tradition to which Lord Randal belongs shaped Dylan s song and how Dylan drew on oral culture to depict the fears and crises of his own era Portelli recasts the song as an encounter between Dylan s despairing vision which questions the meaning and direction of history and the message of resilience and hope for survival despite history s nightmares found in oral traditions A wide ranging work of oral history Hard Rain weaves together interviews from places as varied as Italy England and India with Portelli s autobiographical reflections and critical analysis speaking to the enduring appeal of Dylan s music By exploring the motley traditions that shaped Dylan s work this book casts the distinctiveness and depth of his songwriting in a new light
