*EASY ROMANTIC DINNER* Quinn Carter, 2021-09-06 INTRODUCTION It's critical to set the tone for your romantic supper If your dining table is normally well lit you might make it more sensual by replacing it with candles Place two candles on tall holders at the table's ends Flowers can also bring color and provide the proper mood to an ordinary table At romantic dinners scents play an important role inducing a wave of seduction and relaxation Lavender tangerine jasmine vanilla and rosewood are some of the scents that are recommended After you've set the tone the difficult part begins preparing dinner No you can't order a full meal online and have it delivered to your home that would detract from the romantic message you're trying to send Cooking dinner for your partner alone sends the message that he or she is unique because you took the time and effort to prepare dinner and make the evening extra memorable for them For supper you should have a complete menu planned including a beverage an appetizer a salad an entrée and dessert Here are a few ideas for things to put on your list

**Beverages** This is your opportunity to purchase your favorite champagne or wine If you know what your partner's favorite drink is go ahead and get it Because the goal is to avoid getting drunk you can also have some non alcoholic fruit drinks

**Appetizer** An appetizer that includes cheese is a good choice Small portions of seafood such as shrimp are also suggested It all comes down to how the meal is presented a splash of red hues such as tomatoes or red bell pepper can liven up a simple appetizer and go a far way

**Salads** You have a wide variety of salad dishes to pick from Avoid being too adventurous with your salads and stick to the basics like green salads mixed vegetables and the like If you can serve your salads on fruit plates such as the outer layer of avocados papayas or coconuts it will look great

**Main Entrée** For your main course try something new By using a different sauce or spice you may make ordinary chicken and spaghetti into something extraordinary Pay attention to what your date orders when you go out to eat and try to recreate his or her favorite restaurant dish

**Desserts** Dessert ideas include strawberries and cherries covered with chocolate bits You can also make simple red embellished biscuits or cakes Whether it's a romantic dinner for Valentine's Day or to declare eternal love to celebrate a return or simply the beauty of everyday life to make an important proposal or announce some good news no matter what the reason a dinner for two it is an intimate exciting relaxing moment Nothing like a romantic candlelit meal for two to invigorate a relationship It can be difficult to decipher the menu While you want to make something exquisite and seductive you don't want to spend all of your time doing so Do you want to celebrate an anniversary or Valentine's Day with a quiet romantic meal for two Could you need some easy to prepare romantic supper recipes that say I love you Then have a
