the investigative half of their partnership Carol Caletti which would have been touted as the modern day Woodward and Bernstein had there been public knowledge of their association Caletti remained in the shadows doing her work lifting rocks to see what grubby thing crawled from underneath which Alison could then report to the world But shadows became dark Caletti is nowhere to be found and just when they were about to publish the story of all stories Lisa Sheed an on again off again private investigator who now makes her living investigating companies to invest in as a day trader has been sought by Alison to find her partner Alison all but begs Sheed to take the case The police are not taking the disappearance seriously The newspaper Alison works for isn't taking it seriously Probably undercover investigating a story is the prevailing sentiment about Caletti She will turn up it's only been a few days But Zoe knows her partner She always stays in communication even when digging for dirt Dirt becomes quicksand as powerful forces converge to bury the story and the investigator Full of twists and turns The Fourth Estate delivers a thriller investigating how stories get buried or told and the dangers reporters face to tell the truth How the rich and powerful dictate what the truths are And how tangled up in that mess the very lives of these women are at stake NASA SP. ,1993 **Visible Costs and Invisible Benefits** Gunnar Eliasson,2017-11-16 This book examines the historic role of professional and demanding military customers in industrial development Particular emphasis is paid to public procurement of military equipment as a catalyst for innovation and the civilian commercialization of military technologies from gunpowder and cannons to submarines missiles and aircraft is documented by many case illustrations that show how macro level productivity advance has been generated A complementary volume to *Advancing Public Procurement as Industrial Policy* 2010 which focused on the spillover effects of the Swedish combat aircraft Gripen in this book Gunnar Eliasson widens the perspective to cover product development across the Swedish defense industry with an emphasis on regional economic development and macro economics inter alia through the involvement of Saab aircraft and Kockums submarines in partnership ventures in Australia Norway and Brazil The volume is organized into four parts Part one examines the historical transformation of the Swedish economy over the past three centuries from agriculture and raw materials to an advanced industrial economy Part two presents detailed case studies to illustrate the spillover effects of procurement projects and military industrial partnerships Part three explains the spillover phenomenon theoretically within a dynamic micro to macro economic perspective Particular emphasis is placed on the empirical credibility of model based economy wide and dynamic cost benefit calculations The book concludes with a section on fostering industrial development through public procurement The result is a book that will appeal to economists in the industrial economics and management fields to technical marketing and purchasing executives in business and to policy makers in public procurement concerned with innovation and long run industrial development **AERO TRADER & CHOPPER SHOPPER, FEBRUARY 1998** Causey Enterprises, LLC, **NASA Technical Memorandum** ,1991 Air Force Magazine ,1987 **ICAO Bulletin** ,1991 *Advanced Public Procurement as Industrial Policy* Gunnar Eliasson,2010-03-10 This study is about the

macroeconomic effects of positive externalities or industrial spillovers around advanced production The case explored is the technology di dend around Swedish aircraft industry and in particular around the aircraft ma facturer Saab and the major industrial project of the JAS 39 Gripen multirole combat aircraft The project is partly an updating of my book in Swedish Technology 1 Generator or a National Presige Project from 1995 but extends the analysis in s eral directions The study includes a chapter on spillovers from advanced production in an industrially developing economy South Africa that has acquired the JAS 39 Gripen for its Air Force There is also a chapter in which the results for Sweden are discussed in the wider context of advanced public procurement in Europe The text has been organized such that the main chapters have been written for academic readers Two supplements include the technical details of data collection mathematical models and calculation methods The first chapter is brief and focused on the results It has the character of an extended executive summary The second chapter summarizes the entire story problems results and methods This project would not have been possible without the generous support of a number of people First of all great thanks go to all those people with crowded calendars in Swedish industrial firms that have set aside time to respond to my questions Most of them have been listed at the end of the book
