Our Church Life ,1903 **The Homiletic Review** ,1893 **When the Spirit Moves** Vincent Goddard, 2022-02-10 Pastor Vince's memoir *When the Spirit Moves* is a carefully crafted literary exposition of the faithful journey of a poor Jamaican born Englishman Yet because of its articulated integrity and spiritual candour unnumbered thousands of Caribbean peoples will find this miraculous saga irresistible It has regional and international attractions and identifications baked into its articulated fibre Perhaps one of the most interesting aspects of this easy to read but hard to put down autobiography is the fact that the content generates emotional turbulence Yet at the same time it provides hope and comfort peace and pleasure vision and faith all wrapped securely in a sound Biblical theological blanket What Pastor Vince humbly permitted God to do in his life and with his lifestyle drowns out most excuses for living a life without purpose His story takes away excuses for not being all that God intends for one to become It leaves no excuses for failures By the grace of God Pastor Vince made quality decisions and did many magnanimous things that most people generally fail to do Ironically Pastor Vince like so many Caribbean and African peoples whose lands and treasures were borrowed destroyed or stolen had the courage to forgive and forget the colonial history Most interestingly they risked life in many instances to leave their native lands and journey to the very heart of the socio political and economic global empire that once oppressed They took advantage of available opportunities that enabled them to survive and thrive through hard work education and raw faith in themselves and a sanctified faith in Almighty God *The Sunday School Teacher* ,1868 **The National Sunday School Teacher** ,1868 **Homiletic Review** ,1893 *The Assembly Herald* ,1904 **History of Knox Church, Dunedin** John Hislop (New Zealander.), 1892 **Annual Report of the Board of Publication of the Presbyterian Church in the United States of**

America Presented to the General Assembly at Its Meeting ... ,1875 China and the True Jesus Melissa Wei-Tsing Inouye,2018-12-03 In 1917 the Beijing silk merchant Wei Enbo's vision of Jesus sparked a religious revival characterized by healings, exorcisms, tongues speaking and most provocatively a call for a return to authentic Christianity that challenged the Western missionary establishment in China. This revival gave rise to the True Jesus Church, China's first major native denomination. The church was one of the earliest Chinese expressions of the twentieth century charismatic and Pentecostal tradition which is now the dominant mode of twenty first century Chinese Christianity. To understand the faith of millions of Chinese Christians today we must understand how this particular form of Chinese community took root and flourished even throughout the wrenching changes and dislocations of the past century. The church's history links together key themes in modern Chinese social history such as longstanding cultural exchange between China and the West, imperialism and globalization, game-changing advances in transport and communications technology and the relationship between religious movements and the state in the late Qing, circa 1850-1911, Republican 1912-1949 and Communist 1950-present day eras. Vivid storytelling highlights shifts and tensions within Chinese society on a human scale. How did mounting foreign incursions and domestic crises pave the way for Wei Enbo, a rural farmhand to become a wealthy merchant in the early 1900s? Why did women in the 1920s and 30s such as an orphaned girl named Yang Zhendao devote themselves so wholeheartedly to a patriarchal religious system? What kinds of pressures induced church leaders in a meeting in the 1950s to agree that Comrade Stalin had saved many more people than Jesus? This book tells the striking but also familiar tale of the promise and peril attending the collective pursuit of the extraordinary: how individuals within the True Jesus Church in China over the past century have sought to muster divine and human resources to transform their world. Successful Small Groups Kurt W. Johnson,2011 In Matthew 28:18-20 Jesus makes the mission of the church abundantly clear: Go therefore and make disciples of all the nations. But how do you reach a twenty first century society filled with diverse backgrounds and varying levels of religious interest? And how can you expect to grow the body of Christ when only half of your own congregation regularly attends services? The answer may be simpler than you think: involve and empower the laity in small group ministry. Kurt W. Johnson not only provides the tools for organizing and leading successful small groups but also explores the biblical and historical foundations for small group ministry. In this practical guide Johnson illustrates the proven effectiveness that small groups have for both nurturing the spirituality of current church members and leading friends, neighbors, coworkers and others to a saving relationship with Christ. Do you want to fulfill Jesus' Great Commission? Discover how you and your church can change the world around you through the power of the Holy Spirit, one disciple at a time. Kurt W. Johnson, D. Min is the Bible school director for the Voice of Prophecy international radio ministry. His enthusiasm for small group ministry has led him to conduct training sessions internationally and to author multiple group Bible study guides including *Face to Face With Jesus* and *Focus on Prophecy*.
