The Culinarians David S. Shields,2017-10-26 A first ever history of the nation s foundational culinarians the chefs caterers and restaurateurs who made cooking an art Marcie Cohen Ferris author of The Edible South In this encyclopedic history of the rise of professional cooking in America the 175 biographies include the legendary Julien founder in 1793 of America s first restaurant Boston s Restorator and Louis Diat and Oscar of the Waldorf the men most responsible for keeping the ideal of fine dining alive between the World Wars Though many of the gastronomic pioneers gathered here are less well known their diverse influence on American dining should not be overlooked plus their stories are truly entertaining We meet an African American oyster dealer who became the Congressional caterer and thus a powerful broker of political patronage a French chef who was a culinary savant of vegetables and drove the rise of California cuisine in the 1870s and a rotund Philadelphia confectioner who prevailed in a culinary contest with a rival in New York by staging what many believed to be the greatest American meal of the nineteenth century He later grew wealthy selling ice cream to the masses Shields also introduces us to a French chef who brought haute cuisine to wealthy prospectors and a black restaurateur who hosted a reconciliation dinner for black and white citizens at the close of the Civil War in

Charleston Altogether The Culinarians is a delightful compendium of charcuterie makers pastry pipers caterers railroad chefs and cooking school matrons not to mention drunks temperance converts and gangsters who all had a hand in creating the first age of American fine dining and its legacy of conviviality and innovation that continues today **H.E. Bird** Hans Renette,2016-10-07 No chess player of the 19th century had a longer more varied career than Henry Edward Bird 1829 1908 After pursuing a civil career for years his love for chess prevailed He belonged to the top level of British players for decades but he really shone at Simpson s Divan Bird s accessibility fierce attacking style and contempt for draws made him a people s favorite but his proud and touchy character led him into disputes with his colleagues A very strong and widely known player he fell into oblivion after his death This comprehensive first biography of Bird provides a detailed account of his personal life and a deeply researched coverage of his feats at the chess board Almost 1 200 games are included hundreds of them published here for the first time Nearly 450 games many of them thrilling all out fights are presented with a mix of contemporary and modern annotations *The Rebel Café* Stephen R. Duncan,2018-11-01 Subterranean nightspots in 1950s New York and San Francisco were social cultural and political hothouses for left wing bohemians The art and antics of rebellious figures in 1950s American nightlife from the Beat Generation to eccentric jazz musicians and comedians have long fascinated fans and scholars alike In *The Rebel Caf* Stephen R Duncan flips the frame focusing on the New York and San Francisco bars nightclubs and coffeehouses from which these cultural icons emerged Duncan shows that the sexy smoky sites of bohemian Greenwich Village and North Beach offered not just entertainment but doorways to a new sociopolitical consciousness This book is a collective biography of the places that harbored beatniks blabbermouths hipsters playboys and partisans who altered the shape of postwar liberal politics and culture Throughout this period Duncan argues nightspots were crucial albeit informal institutions of the American democratic public sphere Amid the Red Scare s repressive politics the urban underground of New York and San Francisco acted as both a fallout shelter for left wingers and a laboratory for social experimentation Touching on literary figures from Norman Mailer and Amiri Baraka to Susan Sontag as well as performers ranging from Dave Brubeck to Maya Angelou to Lenny Bruce *The Rebel Caf* profiles hot spots such as the Village Vanguard the hungry i the Black Cat Cafe and the White Horse Tavern Ultimately the book provides a deeper view of 1950s America not simply as the black and white precursor to the Technicolor flamboyance of the sixties but as a rich period of artistic expression and identity formation that blended cultural production and politics *The Market World and Chronicle* ,1914 **Catalogue of the Public Documents of the ... Urban Culture and the Modern City Ágnes Györke,Tamás Juhász,2024-03-15 When consulting key works on urban studies the absence of Central and Eastern European towns is striking Cities such as Vienna Budapest Prague and Trieste where such notable figures as Freud Ferenczi Kafka and Joyce lived and worked are rarely studied in a translocal framework as if Central and Eastern Europe were still a blind spot of European modernity This volume expands the scope of literary urban studies by focusing on Budapest and Hungarian small towns offering in depth analyses of the intriguing link between literature the arts and material culture in the 20th and 21st centuries The case studies situate Hungarian urban culture within the global flow of ideas as they explore the period of modernism the mid century and the post 1989 era in a context that moves well beyond the borders of the country
