New Recruits Shadow Patriots Two The Shadow Patriots 2:

Patriot's History® of the Modern World, Vol. II Larry Schweikart, Dave Dougherty, 2013-12-05 The bestselling historians turn their focus to America's role in the world since the end of World War II Schweikart author of the number one New York Times bestseller *A Patriot's History of the United States* and Dougherty take a critical look at America from the postwar boom to her search for identity in the twenty first century The second volume of *A Patriot's History of the Modern World* picks up in 1945 with a world irrevocably altered by World War II and a powerful victorious United States But new foes and challenges soon arose the growing sphere of Communist influence hostile dictatorships and unreliable socialist allies the emergence of China as an economic contender and the threat of world Islamification The book reestablishes the argument of American exceptionalism and the interplay of our democratic pillars Judeo Christian religious beliefs free market capitalism land ownership and common law around the world Schweikart and Dougherty offer a fascinating conservative history of the last six decades

SECONDARY: Matthew Barney Matthew Barney, 2025-04-01 In *SECONDARY* world renowned artist and filmmaker Matthew Barney explores the spectacle of violence in American football and culture This is the definitive two volume companion to this important work *SECONDARY* is a five channel video installation performed in Barney's Long Island City studio in 2023 then in London Paris and Los Angeles in 2024 The plot revolves around an accident that occurred during a football game in 1978 when Oakland Raiders Jack Tatum delivered an open field hit on Darryl Stingley a wide receiver for the New England Patriots Stingley was left paralyzed The tragic event remained seared in the minds of American fans including Barney himself a youth league quarterback at the time Through allusion to American sports culture *SECONDARY* explores the complex intersection of violence its representation and its celebration It reimagines the game through a unique movement vocabulary The result is a physical study that focuses on every element of the game from drills and pre game rituals to moments of impact and their slow motion replays Volume 1 explores *SECONDARY* in depth with essays by leading contemporary voices Volume 2 maps the life of Barney's former Long Island City studio where *SECONDARY* premiered to the public Both volumes are housed in a slipcase

The Long Shadow of World War II Matthias Strohn, 2021-08-31 2020 marks 75 years since the end of World War II yet even as the war slips from living memory its legacies continue to influence current political and military thinking This anthology will analyze these legacies for a number of countries and regions including China Russia the United States the Near East and Germany illustrating in detail how World War II is not merely a historical event but a defining moment for current military and political thinking around the globe This book will therefore be of interest for those interested in history but also political and military decision makers and followers of current political and military affairs
