The Video Source Book David J. WEINER, 1990 Lars von Trier Beyond Depression Linda Badley, 2022-02-15 Lars von Trier built a reputation as a provocateur from the start but in the late 2000s he entered an even more inflammatory phase Amid Cannes controversies *Antichrist* 2009 *Melancholia* 2011 *Nymphomaniac* 2013 14 and *The House That Jack Built* 2018 brandished the cinematic virtuosity von Trier once banned under the Dogme 95 Manifesto while subjecting audiences to extreme cinema Following von Trier's experience of clinical depression in 2006 and 2007 these films took an aggressively personal and retrospective turn against the backdrop of the director's controversy courting public appearances Playing against widespread assumptions Linda Badley takes a reparative approach offering an in depth examination of these four films and the contexts that produced them Drawing on numerous interviews with the director and his collaborators as well as inside access to archival materials she provides a thorough and comprehensive account of von Trier's preproduction and creative process Highlighting a transmedial turn Badley tracks von Trier's artistic touchstones from Wagner Proust and the Marquis de Sade to Scandinavian erotic cinema and serial killer genre tropes She considers his portrayals of mental illness and therapy gender and sexuality nature and extinction shedding light on the thematic concerns that unite these films as a distinct cycle Offering nuanced readings of these films the book emphasizes the significance of von Trier's work for current critical and philosophical debates showing how they engage with notions of the Anthropocene dark ecology and the postcinematic The Psychotronic Video Guide To Film Michael Weldon, 1996 The bible of B movies is back and better than ever From *Abby Cadabby* to *Zontar* this book covers more than 9 000 amazing movies from the turn of the century right up to today's Golden Age of Video all described with Michael Weldon's dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan **The Kill Fee** Laura Van Wormer, 2005 When journalist Sally Harrington's great uncle Percy enlists her help to sort out some land ownership issues Sally finds herself in deep trouble when another journalist who has been doing a story on her is almost murdered Original Caroline Munro, First Lady of Fantasy Robert Michael "Bobb" Cotter, 2014-01-10 This filmography including television and music video appearances chronicles the career of Caroline Munro a woman of humble beginnings whose chance entry in a Face of the Year photo competition propelled her to international fame as a model and actress and whose work in genre cinema has won her the well earned title of First Lady of Fantasy It provides complete technical and cast credits for each film a synopsis reviews and notes and a foreword by Caroline Munro Thrive Krista Ritchie, Becca Ritchie, 2023-08-01 The TikTok sensation Addicted series continues with Thrive now in a print edition with special bonus material Two years will change them forever When fake rumors spread like wildfire like having three ways with her boyfriend's rock climbing brother Lily Calloway retreats to a dark place her bedroom Loren Hale is more determined than ever to keep their sex life private even from their friends and he helps Lily in the only way he knows how But how much love is too much Their lives are filmed

Bad Sex Billy Holzberg, Jacqueline Gibbs, Aura Lehtonen, 2025-02-06 *Bad Sex* traces the evolution of representations of sex on screen from earlier portrayals of sex as glamorous or taboo to more complex depictions of often awkward or painful experiences and feelings Jacqueline Gibbs Billy Holzberg and Aura Lehtonen examine the representation of sex and sexuality in contemporary English language drama and dramedy shows like *Fleabag* 2016 2019 *Sex Education* 2019 23 I May *Destroy You* 2020 and *Euphoria* 2019 arguing that TV is where the politics of sexuality and gender is negotiated under the contemporary conditions of neoliberalism Through a cultural analysis of key television shows they identify this shift as driven by the diversification of representations of sex and sexuality as women trans and non binary Black and minority ethnic working class and disabled TV professionals carve some space in a traditionally white middle class cis male dominated industry In doing so they explore the affective potential and limits of bad sex on our screens and what these representations can tell us about sexual politics and gender cultures today
