Newton S Riddle The Psalm 83 Conspiracy Revealed:

Newton's Riddle Neill G. Russell, 2008-03 Before his death in 1727 Sir Isaac Newton the notorious physicist concealed a prophetic script in an alchemy journal This mysteriously coded script detailed crucial future events involving both Israel and the United States and their relation to the return of Jesus Christ During a trip to England to visit an old friend Dr Ezra Schroeder a National Security Administration code breaker happens upon the cryptic contents of Newton s final work With each passing day as the political clouds around the United States and Israel grow increasingly ominous Ezra knows what he must do With this vital knowledge in hand he must become a modern day Moses and implore the reluctant president of the United States to come to the aid of the Jewish state of Israel which is on the brink of total annihilation **Why Did**

Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

The Psalm 83 Conspiracy Revealed, Second Edition Neill G. Russell, 2012 Before his death in 1727 Sir Isaac Newton the notorious physicist concealed a prophetic script in an alchemy journal This mysteriously coded script detailed crucial future events involving both Israel and the United States and their relation to the return of Jesus Christ During a trip to England to visit an old friend Dr Ezra Schroeder a National Security Administration code breaker happens upon the cryptic contents of Newton s final work With each passing day as the political clouds around the United States and Israel grow increasingly ominous Ezra knows what he must do With this vital knowledge in hand he must become a modern day Moses and implore the reluctant president of the United States to come to the aid of the Jewish state of Israel which is on the brink of total annihilation *Biblical Eschatology:* Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians

have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book Newton's Riddle Neill G Russell,2022-01-27 Before his death in 1727 Sir Isaac Newton the renowned physicist concealed a prophetic script in an alchemy journal This mysteriously coded script detailed crucial future events involving both Israel and the United States and their relation to the return of Jesus Christ During a trip to England to visit an old friend Dr Ezra Schroeder a National Security Administration code breaker happens upon the cryptic contents of Newton s final work With each passing day as the political clouds around the United States and Israel grow increasingly ominous Ezra knows what he must do With this vital knowledge in hand he must become a modern day Moses and implore the reluctant president of the United States to come to the aid of the Jewish state of Israel which is on the brink of total annihilation Newton s Riddle is the now book for the most critical junction in human history You will not be able to put this book down Sid Roth President of Messianic Vision *Newton's Riddle - Second Edition* Neill G. Russell,2014-12-30 Before his death in 1727 Sir Isaac Newton the notorious physicist concealed a prophetic script in an alchemy journal This mysteriously coded script detailed crucial future events involving both Israel and the United States and their relation to the

return of Jesus Christ During a trip to England to visit an old friend Dr Ezra Schroeder a National Security Administration code breaker happens upon the cryptic contents of Newton s final work With each passing day as the political clouds around the United States and Israel grow increasingly ominous Ezra knows what he must do With this vital knowledge in hand he must become a modern day Moses and implore the reluctant president of the United States to come to the aid of the Jewish state of Israel which is on the brink of total annihilation
