## Foreword

The descriptions and service procedures contained in this manual are based on designs and methods studies carried out up to June 95.

The products are under continuous development. Features and components introduced after the above date may therefore have different specifications and repair methods. When this is judged to have a significant bearing on this manual, supplementary service bulletins will be issued to cover the changes.

The new edition of this manual will update the changes.

In service procedures where the title incorporates an operation number, this is a reference to V&T ( Volvo Manual Topics).

Service procedures which do not include an operation number in the title are for general information and are referred to as V&T.

The following levels of instructions, cautions and warnings are used in this Service Documentation:

**Note:** Indicates a procedure, practice or condition that must be followed in order to have the vehicle or component function in the manner intended.

**Caution:** Indicates an unsafe practice where damage to the product could occur.

**Warning:** Indicates an unsafe practice where personal injury or severe damage to the product could occur.

**Danger:** Indicates an unsafe practice where serious personal injury or death could occur.
