## **Ponder The Mystery A Christmas Meditation:**

Ponder the Mystery, a Christmas Meditation Tomi Folk, 2014-12-04 Think of this beautiful book as a word from the sponsor a message from the One who first brought you this holiday season long before it became a marketplace event For all who observe Christmas with running shoes on Ponder the Mystery invites us to pause light a candle and consider the mystery and the majesty of the story of the birth of the Child so many years ago Individuals families and faith groups are invited to read share and contemplate the meaning of this holy event It is the author s hope that through the words and works of art contained within these pages each person can come closer to understanding what we really are celebrating Tomi hopes this book will be part of your Christmas experience perhaps even becoming a new tradition in your home *Advent and Christmas Meditations* Father T. Ronald Haney, 2007-10-30 Christmas with its sparkling decorations and gaily wrapped gifts is the most celebrated holyday in many people s lives Christmas is even a holiday so brightly prominent is it in our culture Christmas shines like the Bethlehem Star into the dark shadows of our workaday world Christmas is the peaceful pause in the noisy hustle and bustle of our daily work and relationships Yet for many the grueling preoccupation in the preparations for Christmas is with the jingle belled material things shopping decorations gifts exotic foods visits entertainment etc Sometimes many forget the fundamental spiritual meaning of Christmas These daily meditations are geared to help you to become more exuberantly aware of the primary meaning of Christmas namely the love of God so boundless that God gave us his only divine son as a human babe Jesus to live among us teach us with his stories lay down his life for us and rise again on the third day These daily meditations were written in the hope that you will be able to probe with dynamic and contagious faith the gospel stories to increase and deepen your spiritual development during the Advent and Christmas seasons **The 365 Days of Christmas** William J. Byron, 2003-08-27 A perfect stocking stuffer this collection of musings is a way to extend the season and become open to its wonder and mystery all year round By looking for the holiday s deeper meaning believers will find meditative moments insight and strength that will joyfully sustain them for all the 365 Days of Christmas This warm source of inspiration is ideal for individuals families and small groups for preachers and for teachers *Against the Titans* Peter Nguyen, 2020-07-15 Modern history has been marked by the emergence of the figure of the titan who yearns for self mastery in the face of death and who denounces modernity s tendency to reduce the individual to the lockstep of need and gratification But what of those few who rejected the impulses of the titan those militant desires to exert supremacy over all The story recounted in *Against the Titans* The Theology of the Martyrdom of Alfred Delp examines one martyr s rejection of the titan s perversion of heroism and sacrifice The life of Delp a Jesuit priest embodied a Christian theology of martyrdom articulated over against a virile fundamentalism that rejected divine sovereignty As Peter Nguyen S J shows Delp opposed Ernst J nger s active nihilism by revealing a more authentic and no less demanding existence one that came not from acquiring self mastery but rather from an emptying out of self an indiferencia an unselfing through a radical dependence

upon God     The Collected Sermons of Dietrich Bonhoeffer Victoria J. Barnett,2017-10-15 In his preaching Dietrich Bonhoeffer's strong personal faith the foundation for everything he did shines in the darkness of Hitler's Third Reich and in the church struggle against it Though not overtly political Bonhoeffer's deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel a conversation readers today are invited to join     28 Carols to Sing at Christmas John M. Mulder,F. Morgan Roberts,2015-10-13 It wouldn't be Christmas without Christmas carols Virtually every Christian and many non Christians would agree The songs of Christmas can be heard from all kinds of media and all across the world in many languages Christmas has become the biggest holiday in the United States and in virtually every land where Christianity has a significant influence But what does it all mean What is the enduring message of these Christmas carols Why do they awaken the mind move the heart and inspire the Christlike behavior proclaimed by Jesus born in Bethlehem 28 Carols to Sing at Christmas answers those questions Each carol's history is described by John M Mulder and F Morgan Roberts meditates on its contemporary meaning The result is a devotional resource that will make your Christmas a spiritual discovery Here is a book to bring meaning to the mystery of Christ's birth and a message for all the world     Cradle of Redeeming Love John Saward,2011-03-18 Following up on his acclaimed Redeemer in the Womb John Saward returns to the mystery of Christ's Incarnation He draws upon the rich traditions of the Church as well as the writings of the great Christian mystics to create a work that is both new and old revolutionary and orthodox This profoundly moving meditation will aid any contemplation on the life of Christ The subject of this book is the objective and divinely revealed truth of the Nativity of Christ as proclaimed by His infallible and immaculate Bride It is the splendor of this truth of Love's noon in Nature's night which for two millennia has captivated the Fathers and Schoolmen and activated the genius of poets painters and musicians Illustrated with eight color paintings Combines Saward's usual profundity and precision with a treasure trove of texts from the tradition A comprehensive exposition of the Christmas mystery Anyone wanting to know the true meaning of the Incarnation and Christmas need look no further Aidan Nichols O P Author Looking at the Liturgy A profound theological meditation on the Incarnation as an anticipation of the joy in heaven Fr Kenneth Baker Editor Homiletic and Pastoral Review John Saward is on my very short list of preeminently important twentieth century Catholic writers His writing is always profound original and clear Thomas Howard Author On Being Catholic     Invitation to Meditation Leona M. Irsch,2019-03-13 Here is a book intended to help users meditate on a biblical passage and then pray for themselves and others It contains devotions not just for Advent and Lent but also Christmas and Easter every day of the church year and more The book is organized into weeks and each week has a litany Each day has a suggested reading from scriptures and a few sentences to pull something out of the text as a start for meditation     **Meditations for Advent and Easter, by the author of 'Meditations for Lent'.** Meditations,1866     Meditations for Mediocre Mystics Tom Stella,2023-01-27 The term mediocre mystics seems a fitting

way to refer to those who yearn for the nameless but do not qualify as full blown mystics I realize that because there is nothing middling about mystics mediocre mystics may appear to be an oxymoron but the root meaning of mediocre is not second rate From the Latin mediocris the word means moderate or ordinary and has been used figuratively to refer to one who is halfway up a mountain Unlike ordinary folks sainted mystics have reached the mountaintop they are on a first name basis with the nameless But just because we haven't arrived at the heights just because our lives unfold in the valley of ordinary everyday life doesn't mean that we cannot or do not experience the desire that has fueled the mystic's climb All my life my heart has yearned for a thing I cannot name Andre Breton All my life I have experienced the yearning to which French writer and poet Andr Breton refers For me that yearning is composed in part of a subtle discontent a quiet feeling that something is missing despite the fact that nothing is missing Significant relationships meaningful work as well as material and monetary security have never been enough to satisfy the desire for that which I cannot name I know I'm not alone in my discontent or my longing for the nameless for mystics of every spiritual and religious tradition have spoken of their desire for and experience of union with a spiritual entity that is as real as it is surreal I am not claiming that just because I share their yearning I consider myself a mystic but neither do I believe that the term mystic is entirely inappropriate for those of us who might glimpse briefly what certified or canonized mystics have been blinded by
