*Saints of the Shadow Bible* Ian Rankin, 2014-01-14 Rebus and Malcolm Fox go head to head when a 30 year old murder investigation resurfaces forcing Rebus to confront crimes of the past Rebus is back on the force albeit with a demotion and a chip on his shoulder He is investigating a car accident when news arrives that a case from 30 years ago is being reopened Rebus s team from those days is suspected of helping a murderer escape justice to further their own ends Malcolm Fox in what will be his last case as an internal affairs cop is tasked with finding out the truth Past and present are about to collide in shocking and murderous fashion What does Rebus have to hide And whose side is he really on His colleagues back then called themselves The Saints and swore a bond on something called the Shadow Bible But times have changed and the crimes of the past may not stay hidden much longer and may also play a role in the present as Scotland gears up for a referendum on independence Allegiances are being formed enemies made and huge questions asked Who are the saints and who the sinners And can the one ever become the other *Ian Rankin* Erin E. IN THE WILD In 1987 Ian Rankin published the first John Rebus book even he didn't know what he was unleashing Nearly thirty years later Rankin and Rebus are the kings of crime fiction but they are more than that The books are cultural history of Scotland too This is the all purpose handbook to the John Rebus universe Contained in this volume is everything you could reasonably want to know about the books their creation and the characters within them from the birth of the character to the old man staring retirement in the face The book will answer such questions as why is Rankin obsessed with Saabs Why doesn't Siobhan Clarke age but perhaps more importantly it will get to the heart of why we all love John Rebus so much **Clues:**

Augusto Antão, 2015-03-06 What it means to me to be a critic reviewer For a lot of readers a reviewer or critic is an embittered failed novelist or worse a barely restrained serial rapist Book critics may take the form of a dilettante theorist essayist or even historian but almost never reviewers who sometimes lack the distancing from the text required by the demands of academia synthesis **The Naming of the Dead** Ian Rankin, 2007-04-02 The leaders of the free world descend on Scotland for an international conference and every cop in the country is needed for front line duty except one John Rebus's reputation precedes him and his bosses don't want him anywhere near Presidents Bush and Putin which explains why he's manning an abandoned police station when a call comes in During a preconference dinner at Edinburgh Castle a delegate

has fallen to his death Accident suicide or something altogether more sinister And is it linked to a grisly find close to the site of the gathering Are the world s most powerful men at risk from a killer While the government and secret services attempt to hush the whole thing up Rebus knows he has only seventy two hours to find the answers      **The Complaints** Ian

Rankin,2011-03-07 Nobody likes The Complaints they re the cops who investigate other cops It s a department known within the force as The Dark Side and it s where Malcolm Fox works He s a serious man with a father in a nursing home and a sister who persists in an abusive relationship frustrating problems about which he cannot seem to do anything Then the reluctant Fox is given a new case There s a cop named Jamie Breck and he s dirty The problem is no one can prove it As Fox takes on the job he learns that there s more to Breck than anyone thinks dangerous knowledge especially when a vicious murder takes place far too close to home In The Complaints Rankin proves again why he is one of the world s most beloved and bestselling crime writers mixing unstoppable pacing with the deeper question of who decides right from wrong      **Exit Music** Ian

Rankin,2008-09-17 It s late in the fall in Edinburgh and late in the career of Detective Inspector John Rebus As he is simply trying to tie up some loose ends before his retirement a new case lands on his desk a dissident Russian poet has been murdered in what looks like a mugging gone wrong Rebus discovers that an elite delegation of Russian businessmen is in town looking to expand its interests And as Rebus s investigation gains ground someone brutally assaults a local gangster with whom he has a long history Has Rebus overstepped his bounds for the last time Only a few days shy of the end to his long controversial career will Rebus even make it that far      **Scottish Gothic** Carol Margaret Davison,2017-03-08 Written from various critical standpoints by internationally renowned scholars Scottish Gothic An Edinburgh Companion interrogates the ways in which the concepts of the Gothic and Scotland have intersected and been manipulated from the mid eighteenth century to the present day This interdisciplinary collection is the first ever published study to investigate the multifarious strands of Gothic in Scottish fiction poetry theatre and film Its contributors all specialists in their fields combine an attention to socio historical and cultural contexts with a rigorous close reading of works both classic and lesser known produced between the eighteenth and twenty first centuries      **Hiberno-Latin Saints' 'Lives' in the Seventh Century** John

Higgins,2024-03-18 As part of the historicizing corpus of seventh century Irish writing the Lives framed the narrative of the early saints as an effective weapon in contemporary political and ecclesiastical conflicts Cogitosus s Life of Brigit Muirch s and T rech n s accounts of Saint Patrick and Adomn n s Life of Columba created the understanding of the history of early Ireland that has endured to this day How did the writers accomplish this through their literary choices The authors of Irish saints Lives used the literary form of hagiography Christian biography miracle stories and an elaborate rhetorical style to present the words and actions of their subjects These Lives created a narrative of early Irish history that supported the political ecclesiastical elites by showing that their power derived from the actions of their patron saints      Standing in

Another Man's Grave Ian Rankin,2013-01-15 John Rebus returns to investigate the disappearances of three women from the

same road over ten years For the last decade Nina Hazlitt has been ready to hear the worst about her daughter s disappearance But with no sightings no body and no suspect the police investigation ground to a halt long ago and Nina s pleas to the cold case department have led her nowhere Until she meets the newest member of the team former Detective John Rebus Rebus has never shied away from lost causes one of the many ways he managed to antagonize his bosses when he was on the force Now he s back as a retired civilian reviewing abandoned files Necessary work but it s not exactly scratching the itch he feels to be in the heart of the action Two more women have gone missing from the same road where Sally Hazlitt was last seen Unlike his skeptical colleagues Rebus can sense a connection but pursuing it leads him into the crosshairs of adversaries both old and new Rebus may have missed the thrill of the hunt but he s up against a powerful enemy who s got even less to lose On the twentieth anniversary of Ian Rankin s first American publication comes a novel bursting with the vitality and suspense that made its author one of crime fiction s most dazzling stars Standing in Another Man s Grave is the triumphant return of John Rebus and a riveting story of sin redemption and revenge **True Latter-Day Saints' Herald** ,1928 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints Letters Exhibiting the Most Prominent Doctrines of the Church of Jesus Christ of Latter-day Saints Orson Spencer,William Crowel,1889 A Question of Blood Ian Rankin,2004-02-09 When a former soldier and recluse murders two 17 year old students at a posh Edinburgh boarding school Inspector John Rebus immediately suspects there is more to the case than meets the eye *The Latter-day Saints' Millennial Star* ,1853 *The Latter-Day Saints' Millennial Star.
