Salvation in the Flesh David Tremontozzi, 2018-02-01 David Tremontozzi contends that conservative traditional Christianity has uncritically adopted an intellectualist i e rationally driven view of faith in its understanding and practice of salvation Throughout he maintains that an intellectualist soteriology should be rejected because it prioritizes the rational over other behavioral and affective aspects of faith An intellectualist rendering of salvation is incomplete because human experience is neither abstract nor gnostic it is embodied and experientially relevant An intellectualist soteriology simply cannot account for the dynamic and transforming possibilities of saving grace *Salvation in the Flesh* offers an innovative perspective on the embodied nature of faith and the centrality of the Holy Spirit in the Christian doctrine of salvation Drawing from the cognitive neurosciences and psychology Tremontozzi argues for a holistic awareness of cognition to better inform an embodied understanding of faith In dialogue with the cognitive sciences he appropriates Jonathan Edwards theology of religious affections early church practices and pentecostal spirituality to highlight the soteriological significance of orthodoxy orthopraxy and orthopathy for a renewal soteriology of embodiment In doing so Tremontozzi offers a vision of salvation that more thoroughly accounts for the multifarious ways God s saving grace interacts with human flesh and blood

ARE WE SAVED? Stephen Rong,2011-06-01 Today Gospel has been twisted in a broad field Faith in Jesus Christ must be built up on the full revelation

of God However most evangelists do not equip well before ministering They lack the structure of faith of the Scriptures The consequence is that both shepherds and sheep are not walking on the way of truth Actually they are falling away Because of lacking of the foundation of faith based on the full words of God it is not surprised that even popular evangelists deny that Jesus Christ is the only way of salvation Let s tremble before the Word of God and seek Him John 1 1 In the beginning was the Word and the Word was with God and the Word was God Isaiah 66 5 Hear the word of the LORD ye that tremble at his word Your brethren that hated you that cast you out for my name s sake said Let the LORD be glorified but he shall appear to your joy and they shall be ashamed

Salvation As a Mechanical Process Richard E. Davies,2020-02-14 Christians have been taught that Jesus died on the cross to pay a fine or ransom to expiate or atone for our sins Furthermore they have been taught that the death of Jesus is the only way individuals can receive eternal salvation In general this notion is called the doctrine of blood atonement or penal substitution or some similar name One reason for this teaching is that the development of Newtonian mechanics has led us to believe that God s laws of salvation must be as easy to understand as the seventeenth and eighteenth century laws of our physical world This book demonstrates that there are alternatives for understanding Jesus execution that are consistent with the twentieth and twenty first century understanding of our physical world In fact the early Christian writers including the Bible itself described these alternatives Sacrifice was only one form of the early Christian narrative explaining the death of Jesus Although blood atonement was understandable in ancient Roman culture it is not understandable in our culture The inevitable conclusion is that we should abandon blood atonement and develop one of the alternative ways of understanding the cosmic significance of Jesus execution

LeMay, 2014-05-12 Are You Really Saved will challenge every professing Christian to take a step back and see what the Bible actually says about sin grace salvation and sanctification As Christians become busier with things of this world reading and understanding the Bible has been replaced with quick sermons or daily devotionals leaving many Christians with more questions than answers about these eternal subjects Every person will stand before a right and just God when they die and hear one of two judgments Well done good and faithful servant or Away from me you evildoers I never knew you Most professing Christians believe they will be welcomed into eternal life with God yet cannot explain exactly why or how We have relied too long on misinformation or the teachings of a select few instead of searching the Bible for God s answers to questions of eternity This book will challenge you to examine not only what you have come to believe but ask the important why questions questions most professing Christians often cannot answer
